The District’s Board of Directors is composed of five members, who are sitting Polk County, Florida and City of Lakeland Commissioners.

If an offeror chooses not to submit a best and final offer, its initial proposal (including price) will be considered its "best and final offer." The Contracting Officer and/or the SEC will evaluate the best and final offers and award based upon the total points for both the technical and price components of each best and final offer.
 - (4) Following evaluation, the District may enter into fee negotiations with the Proposer deemed by the District to be in the best interest of the District.
- C. Competitive Ranges: In accordance with Section 15, of the Federal Acquisition Regulations, a competitive range may be established as part of the evaluation criteria; submittals with exceptionally high or low pricing and/or overall technical and price scores or ranking, may be rejected on this basis and given no further consideration.
- D. All or None Pricing: The line item unit price(s) must include all costs that the offeror intends to recover, such as, but not limited to supervision, labor, equipment, materials, vehicle pickup and return, financing, carrying charges, and all other such charges to accommodate the services and/or delivery requirements.
- (a) Failure of an offeror to provide prices for all line items listed on the Schedule, or the required elements within a Schedule of Values, shall be cause for rejection of the entire offer. However, an offeror may enter "No Cost" in the unit price and extended amount columns to indicate that the item is being offered at "No Cost."
 - (b) Offerors are hereby reminded that item descriptions in the Schedule are not intended as complete descriptions of the required supplies and/or services to be purchased under this solicitation. Complete descriptions are provided in the Specifications and/or Statement of Work exhibits in this solicitation document.
 - (c) In some circumstances Offerors may be requested to compile a self-generated price schedule. In these instances firm are required to list all items and/or services for which they intend to be compensated. Additionally, firms are encouraged to list items and/or services provided of which they offer at "No Cost" to firmly demonstrate best value pricing.
 - (d) The District reserves the right to reject offers that are materially unbalanced, i.e., that contain unreasonably high unit prices for some items and/or unreasonably low unit prices for other items.
- E. Examination of Bid Documents: The District shall have the right to examine and review the Contractor's estimating documents used in preparing its bid as necessary to aid in the District's evaluation of bids. Within two (2) days of the Contracting Officer's request, the bidder shall make available for inspection its estimating documents used in preparation of its bid. Estimating documents shall include all of the following:
- (1) clearly itemized estimated costs of performing the work,
 - (2) easy identification of design vs. construction or implementation costs (if applicable),
 - (3) assumptions used to determine crew sizes and productivity rates, any quotations received from subcontractors, or suppliers, memoranda, narratives, and reports used to develop the price,
 - (4) a breakdown of costs into categories such as direct labor, equipment, materials and supplies
 - (5) overhead rates for the prime contractor and each subcontractor,
 - (6) fees allocated to each subcontractor,
 - (7) contingency and risk allocations, and
 - (8) all other significant assumptions or factors used to develop the price.
- F. The District reserves the right to investigate the qualifications of all offerors under consideration, to confirm any part of the information furnished by an offeror, and/or to require other evidence of managerial, financial, or technical capabilities that are considered necessary for the successful performance of work under a resulting contract.

- G.** Offerors are hereby reminded that the District reserves the right to award a contract following evaluation of initial offer. Offerors should therefore ensure that they submit their best technical and price proposals in their initial offer submissions.

5.11 Evaluation of Option Pricing

- A.** The District shall evaluate offers by including the total price for the Base Term with Optional Line Items together with the Optional Term and Optional Schedule Line Items under each and where applicable; however, the Optional Term and Optional Schedule Line Items may not necessarily be exercised under the contract.
- B.** The offeror must demonstrate the financial capacity to support their ability to provide services on a reimbursement basis.

5.12 Oral Presentations

Upon completion of the criteria evaluation, rating and ranking (tier I), the SEC may enter into discussions with the highest ranked and/or most qualified firms regarding their credentials, project approach, and ability to furnish the required services (tier II). To officially announce these Oral Interviews, a notice will be issued by the District specifying the date, time and place of the meeting of the designated SEC to conduct these Oral Interviews with only the offerors so selected. To the extent possible, all Oral Interviews for this solicitation will be conducted on the same day.

At the conclusion of all Oral Interviews, the SEC members will discuss the overall merits of each selected proposer. At the conclusion of this discussion, each voting member of the SEC will be required to consider the proposer's original proposal and any additional information obtained during Oral Interviews. At the conclusion of this discussion the members shall finalize their choices, and the Chairperson shall record the ranking of the firms as presented by the SEC. The proposer ranked number one shall be designated as the most qualified Proposer for the subject solicitation and the SEC's recommendation for contract award.

Oral presentations, when required, shall be scheduled with the Source Evaluation Committee, and shall be open to the public in accordance with Florida Statutes.

5.13 Negotiations

The District reserves the right to enter into contract negotiations with the recommended Offeror. If the District and the recommended Offeror cannot negotiate a successful contract, the District may terminate said negotiations and begin negotiations with another recommended Offeror. This process will continue until a contract acceptable to the District has been executed or all proposals are rejected. No Proposer shall have any rights against the District arising from such negotiations or termination thereof.

5.14 Right of Rejection

- A.** The District reserves the right to, at any time and in the District's sole discretion, reject any or all offers, waive any informality in such Proposals; to request new Proposals; to revise the solicitation; extend the submission date of offer; withdraw the solicitation; reject all Proposals; not award the Contract; reject a member of the Proposer's team; or not award a portion of the Contract. Revisions to this solicitation, if any, shall be made by written addendum.
- B.** The receipt of offers shall NOT in any way obligate the District to enter into a consultant agreement or contract of any kind with any Offeror.
- C.** The notification of intent to award the Contract to a Proposer does not create a relationship of any kind between the District and the Proposer, and Proposer shall not rely on such notification. Unless explicitly written to the contrary, all Contracts to be awarded by the District require the approval of the District's Governing Board and the District's General Counsel, and no instrument or agreement shall be binding on the District unless approved as required herein.
- D.** Conditional proposals or those which take exception to the specifications may be considered non-responsive and may be rejected.

5.15 Contract Award

Any negotiated contract, as a result of the Solicitation, will be submitted to the District's Board or designee for award. All offerors will be notified in writing when the District makes an award recommendation. The Contract award, if any, shall be made to the Offeror whose offer shall be deemed by the District to be in the best interests of the District.

5.16 Availability of Funds

Funds may not be available for performance under this contract beyond the current fiscal year. The District's obligation for performance of this contract beyond the current fiscal year is contingent upon the availability of appropriated funds from

which payment for contract purposes can be made. No legal liability on the part of the District for any payment may arise for performance under this contract beyond the current fiscal year, until the Contractor receives notice of availability of funds, in writing, from the Contracting Officer.

5.17 Contractual Provisions

Further, the Contractor shall at the District's request meet and have its employees and representatives meet with the District from time to time, regarding any of the Services to be rendered under the Contract.

Should either party to the Contract suffer injury or damage to person or property because of any act or omission of the party or of any of their employees, agents or others for whose acts they are legally liable, a claim for damages therefor shall be made in writing to such other party within a reasonable time after the first observance of such injury or damage.

Goods required for daily consumption, or where the delivery is an emergency, a replacement, or is overdue, the convenience of the District shall govern. PROGRAM FRAUD AND FALSE OR FRAUDULENT STATEMENTS OR RELATED ACTS.

(1) The Contractor acknowledges that the provisions of the Program Fraud Civil Remedies Act of 1986, as amended, 31 U.S.C. § § 3801 *et seq.* and U.S. DOT regulations, "Program Fraud Civil Remedies," 49 C.F.R. Part 31, apply to its actions pertaining to this project. Upon execution of the underlying contract, the Contractor certifies or affirms the truthfulness and accuracy of any statement it has made, it makes, it may make, or causes to be made, pertaining to the underlying contract or the FTA assisted project for which this contract work is being performed. In addition to other penalties that may be applicable, the Contractor further acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification, the Federal Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986 on the Contractor to the extent the Federal Government deems appropriate.

(2) The Contractor also acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification to the Federal Government under a contract connected with a project that is financed in whole or in part with Federal assistance originally awarded by FTA under the authority of 49 U.S.C. § 5307, the Government reserves the right to impose the penalties of 18 U.S.C. §

1001 and 49 U.S.C. § 5307(n)(1) on the Contractor, to the extent the Federal Government deems appropriate.

(3) The Contractor agrees to include the above two clauses in each subcontract financed in whole or in part with Federal assistance provided by FTA. It is further agreed that the clauses shall not be modified, except to identify the subcontractor who will be subject to the provisions.

INCORPORATION OF FEDERAL TRANSIT ADMINISTRATION (FTA) TERMS. Whether or not expressly set forth in the preceding contract provisions, all standard terms and conditions required by the United States Department of Transportation (DOT) are hereby incorporated by reference. All contractual provisions required by DOT, as set forth in FTA Circular 4220.1F are hereby incorporated by reference. Anything to the contrary herein notwithstanding, all FTA mandated terms shall be deemed to control in the event of a conflict with other provisions contained in this Contract. The Contractor shall not perform any act, fail to perform any act, or refuse to comply with any District requests which would cause the District to be in violation of the FTA terms and conditions.

PUBLIC RECORDS. The District is subject to Florida's Government in the Sunshine Law, Chapter 286, Florida Statutes (the "**Sunshine Law**") and the Public Records Act, Chapter 119, Florida Statutes (the "**Public Records Act**"). It is possible that the Contractor, as a result of the Contract, may also be subject to the Sunshine Law and the Public Records Act and, if so, the Contractor will promptly respond in accordance with the statute to any and all third party requests for "public records," as that term is defined in the Public Records Act. In regard to any such request, the Contractor will promptly notify the District. The District's determination as to the necessity of such response shall be presumptively correct.

NO WAIVER OF SOVEREIGN IMMUNITY. Nothing contained in this Contract shall be construed to waive the sovereign immunity of the District under Chapter 768, Florida Statutes, and any amendments thereof, or under any other provision of law.

NO OBLIGATION BY THE FEDERAL GOVERNMENT.

(1) The District and Contractor acknowledge and agree that, notwithstanding any concurrence by the Federal Government in or approval of the solicitation or award of the underlying contract, absent the express written consent by the Federal Government, the Federal Government is not a party to this contract and shall not be subject to any obligations or liabilities to the District, Contractor, or any other party (whether or not a party to that contract) pertaining to any matter resulting from the underlying contract.

(2) The Contractor agrees to include the above clause in each subcontract financed in whole or in part with Federal assistance provided by FTA. It is further agreed that the clause shall not be modified, except to identify the subcontractor who will be subject to its provisions.

TIME IS OF THE ESSENCE. In performing this contract, the Contractor agrees that time is of the essence.

UNDOCUMENTED WORKERS. This Contract shall be immediately terminated for cause according to Section 10 should the Contractor, after exhausting its right to appeals, be found liable or guilty by any state or federal authority concerning violations of any immigration employment laws or regulations, if the violation involved labor connected to the performance of this contract.

OFFICIALS NOT TO BENEFIT. No member of or delegate to Congress, or a member of the District's governing body, shall be admitted to any share or part of this contract or to any benefit arising from it. However, this clause does not apply to this contract to the extent that this contract is made with a corporation for the corporation's general benefit.

TERMINATION. Default by Contractor.

(a) The District may, in its sole and absolute discretion, by written notice of default to the Contractor, terminate all or any part of this Contract if (i) the Contractor fails to perform the Services described herein, within

the time specified herein or any extension thereof; or (ii) if the Contractor fails to satisfy any of the other material provisions of the Contract, or so fails to make progress as to endanger performance of this Contract in accordance with its terms; and in either of these two circumstances does not cure such failure within a period of ten (10) days (or such longer period as the Contracting Officer may in his/her absolute discretion authorize in writing) after receipt of notice from the Contracting Officer specifying such failure. In the event that the District elects to waive its remedies for any breach by the Contractor of any covenant, term or condition of this Contract, such waiver by the District shall not limit the District's remedies for any succeeding breach of that or of any other term, covenant, or condition of this Contract.

Termination by the District for Convenience. This Contract may be terminated by the District in its absolute discretion, in whole or in part, whenever the District Contracting Officer or the District shall determine that such termination is in the best interest of the District. Any such termination shall be effected by delivery of a notice of termination by the District to the Contractor, specifying the extent to which performance of work under the Contract is terminated, and the date upon which such termination becomes effective. The Contractor shall be paid its costs, including contract closeout costs, and profit on work performed up to the time of termination. The Contractor shall promptly submit its claim for final payment to the District. Settlement of claims by the Contractor under this paragraph shall be in accordance with the provisions set forth in Part 49 of Title 48 of the Federal Acquisition Regulations (48 C.F.R. 49), except that wherever the word "Government" appears it shall be deleted and the word "District" shall be substituted in lieu thereof.

Default by the District. In the event the District is in default under this Contract, the Contractor shall first provide written notice to the District of said condition alleged by the Contractor to be a default, and the District shall have a reasonable period of time, not to exceed sixty days, within which to cure said default. During said period, the Contractor shall continue to provide the services to the District.

Remedies for Default by Contractor. If this Contract is terminated by the District for default by the Contractor, the District shall, except as otherwise expressly set forth in the Contract Documents, retain any and all remedies available to it against the Contractor. By way of illustration and not limitation, the District may proceed to obtain the remaining Services from another third party and thereby recover from the Contractor any "excess costs" incurred by the District in so doing.

SUSPENSION AND DEBARMENT

If this purchase exceeds \$25,000, the following provisions apply:

(1) This contract is a covered transaction for purposes of 49 CFR Part 29. As such, the Contractor is required to verify that none of the Contractor, its principals, as defined at 49 CFR 29.995, or affiliates, as defined at 49 CFR 29.905, are excluded or disqualified as defined at 49 CFR 29.940 and 29.945. The Contractor is required to comply with 49 CFR 29, Subpart C and must include the requirement to comply with 49 CFR 29, Subpart C in any lower tier covered transaction it enters into.

(2) The certification in this clause is a material representation of fact relied upon by the District. If it is later determined that the Contractor knowingly rendered an erroneous certification, in addition to remedies available to the District, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.

(3) Pursuant to 31 U.S.C. § 1352(c)(1)-(2)(A), any person who makes a prohibited expenditure or fails to file or amend a required certification or disclosure form shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such expenditure or failure.

10. TERMINATION. Default by the Contractor.

The District may, in its sole and absolute discretion, by written notice of default to the Contractor, terminate all or any part of this Contract if (i) the Contractor fails to perform the Services described herein, within the time specified herein or any extension thereof; or (ii) if the Contractor fails to satisfy any of the other material provisions of the Contract, or so fails to make progress as to endanger performance of this Contract in accordance with its terms; and in either of these two circumstances does not cure such failure within a period of ten (10) days (or such longer period as the Contracting Officer may in his/her absolute discretion authorize in writing) after receipt of notice from the Contracting Officer specifying such failure. In the event that the District elects to waive its remedies for any breach by the Contractor of any covenant, term or condition of this Contract, such waiver by the District shall not limit the District's remedies for any succeeding breach of that or of any other term, covenant, or condition of this Contract.

(a) Termination by the District for Convenience.

This Contract may be terminated by the District in its absolute discretion, in whole or in part, whenever the Executive Director or the District shall determine that such termination is in the best interest of the District. Any such termination shall be effected by delivery of a notice of termination by the District to the Contractor, specifying the extent to which performance of work under the Contract is terminated, and the date upon which such termination becomes effective. The Contractor shall be paid its costs, including contract closeout costs, and profit on work performed up to the time of termination. The Contractor shall promptly submit its claim for final payment to the District. Settlement of claims by the Contractor under this paragraph shall be in accordance with the provisions set forth in Part 49 of Title 48 of the Federal Acquisition Regulations (48 C.F.R. 49), except that wherever the word "Government" appears it shall be deleted and the word "District" shall be substituted in lieu thereof.

provide written notice to the District of said condition alleged by the Contractor to be a default, and the District shall have a reasonable period of time, not to exceed sixty days, within which to cure said default. During said period, the Contractor shall continue to provide the services to the District.

(c) Remedies for Default by the Contractor. If this Contract is terminated by the District for default by the Contractor, the District shall, except as otherwise expressly set forth in the Contract Documents, retain any and all remedies available to it against the Contractor. By way of illustration and not limitation, the District may proceed to obtain the remaining Services from another third party and thereby recover from the Contractor any "excess costs" incurred by the District in so doing.

11. DISPUTE RESOLUTION. Providing there is no conflict with Part 49 of Title 48 of the Federal Acquisition Regulations (48 C.F.R. 49), the District may elect to refer any and all disagreements, disputes, controversies or claims with the Contractor ("Legal Dispute(s)") to the American Arbitration Association ("AAA") provided, however, that nothing in this paragraph shall in any way limit the right of the District to terminate this Agreement under paragraph 10 hereof. On filing for such arbitration, the District shall appoint one arbitrator, the Contractor shall appoint a second arbitrator, and AAA shall appoint a third arbitrator. Once a claim in arbitration has been filed, the parties shall have sixty (60) days to conduct discovery pursuant to the discovery rules of the United States District Court for the Middle District of Florida, Tampa Division, and the parties agree that the arbitrators shall enforce such discovery rules in a manner in which such rules would be enforced in such court and that the mandatory disclosures under Rule 26 of the Federal Rules of Civil Procedure shall apply. Once such sixty (60) day discovery period has ended, each of the parties shall have an additional fifteen (15) days to file a written brief which shall not exceed fifty (50) pages and which shall support such party's position in the Legal Dispute. The arbitrators shall then render a binding decision regarding the Legal Dispute based on such written briefs. Notwithstanding the foregoing, either party may seek appropriate injunctive relief from any court of appropriate jurisdiction for any threatened or actual breach, which may cause immediate and irreparable harm. The parties hereby consent and agree that any action, suit or proceeding arising in connection with any Legal Dispute relating to this Contract shall be brought only in the exclusive jurisdiction of 10th Judicial Circuit of the State of Florida or the United States District Court for the Middle District of Florida, Tampa Division; provided, however, that any Legal Dispute arising out of this Contract shall first be subject to the District's option to refer such Legal Dispute to the AAA as provided in this paragraph 11.

Reg. 1413 (1/19/96). Note: Language in paragraph (2) herein has been modified in accordance with Section 10 of the Lobbying Disclosure Act of 1995 (P.L. 104-65, to be codified at 2 U.S.C. 1601, *et seq.*)]

(3) The Contractor shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants,

and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31, U.S.C. § 1352 (as amended by the Lobbying Disclosure Act of 1995). Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure. Pursuant to 31 U.S.C. § 1352(c)(1)-(2)(A), any person who makes a prohibited expenditure or fails to file or amend a required certification or disclosure form shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such expenditure or failure.

24. CLEAN AIR

(1) The Contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. §§ 7401 *et seq.* The Contractor agrees to report each violation to the District and understands and agrees that the District will, in turn, report each violation as required to assure notification to FTA and the appropriate EPA Regional Office.

(2) The Contractor also agrees to include these requirements in each subcontract exceeding \$100,000 financed in whole or in part with Federal assistance provided by FTA.

25. [reserved]

26. SUSPENSION AND DEBARMENT

(1) This contract is a covered transaction for purposes of 49 CFR Part 29. As such, the Contractor is required to verify that none of the Contractor, its principals, as defined at 49 CFR 29.995, or affiliates, as defined at 49 CFR 29.905, are excluded or disqualified as defined at 49 CFR 29.940 and 29.945. The Contractor is required to comply with 49 CFR 29, Subpart C and must include the requirement to comply with 49 CFR 29, Subpart C in any lower tier covered transaction it enters into.

(2) The certification in this clause is a material representation of fact relied upon by the District. If it is later determined that the Contractor knowingly rendered an erroneous certification, in addition to remedies available to the District, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.

(3) Pursuant to 31 U.S.C. § 1352(c)(1)-(2)(A), any person who makes a prohibited expenditure or fails to file or amend a required certification or disclosure form shall be

subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such expenditure or failure.

(4) The Contractor certifies or affirms the truthfulness and accuracy of each statement of its certifications and disclosures. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C. A 3801, *et seq.*, apply to this certification and disclosure.

27. PUBLIC RECORDS. The District is subject to Florida's Government in the Sunshine Law, Chapter 286, Florida Statutes (the "**Sunshine Law**") and the Public Records Act, Chapter 119, Florida Statutes (the "**Public Records Act**"). It is possible that the Contractor, as a result of the Contract, may also be subject to the Sunshine Law and the Public Records Act and, if so, the Contractor will promptly respond in accordance with the statute to any and all third party requests for "public records," as that term is defined in the Public Records Act. In regard to any such request, the Contractor will promptly notify the District. The District's determination as to the necessity of such response shall be presumptively correct.

28. NO WAIVER OF SOVEREIGN IMMUNITY. Nothing contained in this Contract shall be construed to waive the sovereign immunity of the District under Chapter 768, Florida Statutes, and any amendments thereof, or under any other provision of law.

29. NO OBLIGATION BY THE FEDERAL GOVERNMENT.

(1) The District and Contractor acknowledge and agree that, notwithstanding any concurrence by the Federal Government in or approval of the solicitation or award of the underlying contract, absent the express written consent by the Federal Government, the Federal Government is not a party to this contract and shall not be subject to any obligations or liabilities to the District, Contractor, or any other party (whether or not a party to that contract) pertaining to any matter resulting from the underlying contract.

(2) The Contractor agrees to include the above clause in each subcontract financed in whole or in part with Federal assistance provided by FTA. It is further agreed that the clause shall not be modified, except to identify the subcontractor who will be subject to its provisions.

30. DISADVANTAGED BUSINESS ENTERPRISES.

a) This contract is subject to the requirements of Title 49, Code of Federal Regulations, Part 26, *Participation by Disadvantaged Business Enterprises in Department of Transportation Financial Assistance Programs*. The national goal for participation of Disadvantaged Business Enterprises (DBE) is 10%. The agency's overall goal for DBE participation is 2%. A separate contract **commitment of 0% DBE participation has** been established for this procurement.

b) The Contractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The Contractor shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of this DOT-assisted contract. Failure by the Contractor to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy as the District deems appropriate. Each subcontract the Contractor signs with a subcontractor must include the assurance in this paragraph (see 49 CFR 26.13(b)).

c) *If a separate contract goal has been established, the* Contractors are required to document sufficient DBE participation to meet these goals or, alternatively, document adequate good faith efforts to do so, as provided for in 49 CFR 26.53. Award of this contract is conditioned on submission of the following, concurrent with and accompanying sealed bid or initial proposal, prior to award:

1. The names and addresses of DBE firms that will participate in this contract;
2. A description of the work each DBE will perform;
3. The dollar amount of the participation of each DBE firm participating;
4. Written documentation of the bidder/offeree's commitment to use a DBE subcontractor whose participation it submits to meet the contract goal;
5. Written confirmation from the DBE that it is participating in the contract as provided in the prime Contractor's commitment; and
6. If the contract goal is not met, evidence of good faith efforts to do so. The Contractor has presented the information required above as a matter of responsiveness with initial proposals prior to contract award (see 49 CFR 26.53(3)).

d) *If no separate contract goal has been established, the* Contractor is required to report its DBE participation obtained through race-neutral means throughout the period of performance, if it has obtained DBE subcontractors for the Services under this Contract.

e) The Contractor is required to pay its DBE subcontractors performing work related to this contract for satisfactory performance of that work no later than 30 days after the Contractor's receipt of payment for that work from the District. In addition, the Contractor may not hold retainage from its subcontractors and is required to return any retainage payments to those subcontractors within 30 days after the subcontractor's work related to this contract is satisfactorily completed. The Contractor is required to return any retainage payments to those subcontractors within 30 days after incremental acceptance of the subcontractor's work by the District and Contractor's receipt of the partial retainage payment related to the subcontractor's work.

f) The Contractor must promptly notify the District whenever a DBE subcontractor performing work related to this contract is terminated or fails to complete its work, and must make good faith efforts to engage another DBE

subcontractor to perform at least the same amount of work. The Contractor may not terminate any DBE subcontractor and perform that work through its own forces or those of an affiliate without prior written consent of the District.

31. TIME IS OF THE ESSENCE. In performing this contract, the Contractor agrees that time is of the essence.

32. UNDOCUMENTED WORKERS. This Contract shall be immediately terminated for cause according to Section 10 should the Contractor, after exhausting its right to appeals, be found liable or guilty by any state or federal authority concerning violations of any immigration employment laws or regulations, if the violation involved labor connected to the performance of this contract.

33. HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT (HIPAA). Contractor shall not use or disclose Protected Health Information in violation of the Standards for Privacy of Individually Identifiable Health Information ("Privacy Rule") (45 C.F.R. Parts 160 and 164) under the Health Insurance Portability and Accountability Act of 1996. The definitions set forth in the Privacy Rule are incorporated by reference into this Contract (45 C.F.R. §§ 160.103 and 164.501).

34. OFFICIALS NOT TO BENEFIT. No member of or delegate to Congress, or a member of the District's governing body, shall be admitted to any share or part of this contract or to any benefit arising from it. However, this clause does not apply to this contract to the extent that this contract is made with a corporation for the corporation's general benefit.

35. FLY AMERICA REQUIREMENTS. The Contractor agrees to comply with 49 U.S.C. 40118 (the "Fly America" Act) in accordance with the General Services Administration's regulations at 41 CFR Part 301-10, which provide that recipients and subrecipients of Federal funds and their Contractors are required to use U.S. Flag air carriers for U.S. Government-financed international air travel and transportation of their personal effects or property, to the extent such service is available, unless travel by foreign air carrier is a matter of necessity, as defined by the Fly America Act. The Contractor shall submit, if a foreign air carrier was used, an appropriate certification or memorandum adequately explaining why service by a U.S. flag air carrier was not available or why it was necessary to use a foreign air carrier and shall, in any event, provide a certificate of compliance with the Fly

America requirements. The Contractor agrees to include the requirements of this section in all subcontracts that may involve international air transportation.

36. BUY AMERICA REQUIREMENTS. The Contractor agrees to comply with 49 U.S.C. 5323(j) and 49 C.F.R. Part 661, which provide that Federal funds may not be obligated unless steel, iron, and manufactured products used in FTA-funded projects are produced in the United States, unless a waiver has been granted by FTA or the product is subject to a general waiver. General waivers are listed in 49 C.F.R. 661.7, and include final assembly in the United States for 15 passenger vans and 15 passenger wagons produced by Chrysler Corporation, and microcomputer equipment and software. Separate requirements for rolling stock are set out at 49 U.S.C. 5323(j)(2)(C) and 49 C.F.R. 661.11. Rolling stock must be assembled in the United States and have a 60 percent domestic content.

37. CARGO PREFERENCE - USE OF UNITED STATES-FLAG VESSELS. The Contractor agrees:

(1) To use privately owned United States-Flag commercial vessels to ship at least 50 percent of the gross tonnage (computed separately for dry bulk carriers, dry cargo liners, and tankers) involved, whenever shipping any equipment, material, or commodities pursuant to the underlying contract to the extent such vessels are available at fair and reasonable rates for United States-Flag commercial vessels;

(2) To furnish within 20 working days following the date of loading for shipments originating within the United States or within 30 working days following the date of loading for shipments originating outside the United States, a legible copy of a rated, "on-board" commercial ocean bill-of-lading in English for each shipment of cargo described in the preceding paragraph to the Division of National Cargo, Office of Market Development, Maritime Administration, Washington, DC 20590 and to the District (through the Contractor in the case of a subcontractor's bill-of-lading.)

(3) To include these requirements in all subcontracts issued pursuant to this contract when the subcontract may involve the transport of equipment, material, or commodities by ocean vessel.
