**Gillig, 2003, 2007, 2009, 2010, 2014, 2012, 2015, 2017, 2018**

QUESTION 2

The number (quantity) of each manufacturer by model year.

**2003 (11), 2007(1), 2009, (1) 2010 (23), 2012 (30), 2014 (27), 2015, (6), 2017 (15), 2018 (9)**

**Total= 123**

QUESTION 3

Three Photos of each manufacture and model year

- (a) From outside the bus looking in toward the Driver area
- (b) From the aisleway behind the driver looking forward toward the Farebox and Dashboard
- (c) A closeup of the Farebox / Farebox handrail shown the Attachment of the Farebox to the Dashboard and Floor.

**The year, make, and model of the vehicles have been provided. The winning contractor will be able to view vehicles**

QUESTION 4

Are you wanting the supplier to build everything for the barriers including all materials and hardware?

**Yes**

QUESTION 5

Are you wanting the barriers to be made of glass or a plastic material?

**Plastic Material**

QUESTION 6

If you are wanting a plastic material, are you fine with just getting the plastic material from us? We can cut or route any pieces that are needed. (We do not do anything in regard to other hardware or materials except plastic.)

**Yes**
