**REQUEST FOR STATEMENT OF QUALIFICATIONS (RFSOQ)**

**TO PROVIDE**

**ON-CALL PLANNING, SYSTEM OPERATIONS & ENGINEERING PROFESSIONAL SERVICES FOR**

**CAPITOL CORRIDOR INTERCITY PASSENGER RAIL SERVICE**

**RFSOQ NO. RFSOQ2020-001**

The Capitol Corridor Joint Powers Authority (“CCJPA” or the “Capitol Corridor”) intends to enter into agreements (“Agreements”) with up to three railroad planning, system operations, and/or engineering design consulting firms (“Consultants”) to provide various railroad planning, operations, and/or engineering services for the Capitol Corridor Intercity Passenger Rail Service. Accordingly, CCJPA is issuing this Request for Statement of Qualifications (“RFSOQ”) to prospective CONSULTANTS (“Proposers”) as specified herein. This document and subsequent communications prior to contract negotiations will be provided via the following website: <https://www.capitolcorridor.org/opportunities/>.

**A. Service Description**

The selected Consultant(s) will provide professional railroad planning, system operations, and/or engineering services (these are, respectively, considered the three fields or areas of expertise for this RFSOQ) as related to the Capitol Corridor Intercity Passenger Rail (IPR) train service. Prospective Consultant(s) may have an expertise in one or more of the listed fields and/or they may cover an area of expertise via sub-consultants. There is no requirement that Consultant(s) must have all areas of expertise covered if they feel they have exceptional strengths in one or two areas. CCJPA will select up to three Consultant(s) to ensure the three areas of expertise are accessible to CCJPA based on the selection criteria (explained below). Ultimately, it is desirable for CCJPA to have each area of expertise covered by more than one Consultant. Thus, there is some mathematical benefit to Consultant(s) building a Consultant team that addresses multiple areas of expertise. The type of professional services to be provided by the Consultant(s) is set forth in Attachment A, Scope of Services. Relative to the three specialties, Consultant(s) should clearly indicate which expertise they are targeting on their SOQ submissions.

**B. Funding Sources**

Funding sources will be identified by CCJPA for individual Work Directives. In general, CCJPA will use funds controlled directly by CCJPA or federal, state, regional, or local grant funds awarded to CCJPA.

**C. California Public Records Act**

This RFSOQ and any material submitted by Proposers are subject to public inspection under the California Public Records Act (California Government Code Section 6250 et seq.), unless exempted by law.

**D. Services Duration and Amounts**

CCJPA intends to award up to three Master Services Agreement (MSAs) resulting from this RFSOQ, with a total value of Ten Million Dollars (\$10,000,000). Each MSA will have a value of not-to-exceed Four Million Dollars (\$4,000,000), but also, under each executed MSA, there is no guarantee that any Work Directive will be issued, which can mean that there is potential that no value would be assigned under the MSA. Said costs are anticipated to be reimbursed on a cost-plus-fixed-fee basis. The term of each MSA entered into pursuant to this RFSOQ will be from the date of execution of the Agreement through June 30, 2025. CCJPA reserves the right to extend the contract if the budget has not been exceeded at the end of the contract period.

**E. Pre-Submittal Meeting**

A virtual pre-submittal meeting will be held on September 25, 2020. The meeting will convene at 1 PM local time via an online meeting tool. Information about how to attend the virtual meeting will be posted on Tuesday, September 22, 2020 on the CCJPA Opportunities website (<https://www.capitolcorridor.org/opportunities/>) where all pre-award communications will be posted. Interested firms are encouraged to make every effort to attend this scheduled pre-submittal meeting. Details regarding the Scope of Services and the RFSOQ process will be presented at the pre-submittal meeting.

**F. CCJPA/BART Procedures**

The CCJPA is a California joint powers authority with six member agencies. The San Francisco Bay Area Rapid Transit District ("BART", or the "District") is the managing agency of the CCJPA. The CCJPA models its administrative procedures upon those utilized by BART. Accordingly, reference may be made in this RFSOQ to certain BART administrative procedures which have been adopted as CCJPA administrative procedures.

**G. CCJPA's Agreement**

The CCJPA intends to award up to three MSAs resulting from this RFSOQ. The selected Consultants will be expected to accept and comply with the terms and conditions contained in the *Example CCJPA Contract Agreement* included as Attachment B and the *Example Provisional Cost Reimbursement and Rate Agreement* ("Rate Agreement") included as Attachment C.

**H. Compensation**

1. Cost Reimbursement

- a. Costs shall be allowable only to the extent that costs incurred, or cost estimates included in negotiated prices are consistent with the cost principles of the Federal Acquisition Regulations as set forth in Title 48 Code of Federal Regulations, Part 31.
- b. Reimbursement for Consultant and its subconsultants shall be further limited to that allowed by a separate Rate Agreement. CCJPA will enter into an Agreement with the Proposer selected for award which will be developed consistent with the terms of the Rate Agreement, based on financial information furnished by the Proposer, including but not limited to the PROVISIONAL COST REIMBURSEMENT AND RATE DATA (to be submitted by all short-listed Proposer(s)), government final audited rates for previous years, audited financial statements, and any overhead or fringe cost analyses furnished by the short-listed Proposer(s).

- 1) At a minimum, Consultant shall segregate indirect costs in the following separate groupings: payroll additives, overhead and, if applicable, general/ administrative expenses.
- 2) Reimbursement for the costs of providing insurance coverages as set forth in Article 6.0, INSURANCE, of the Agreement shall be allowable only as an indirect cost.
- 3) Reimbursement for the costs of employee incentive compensation (including cash bonuses, suggestion awards, safety awards and other forms of incentive compensation) shall be allowable only as indirect costs. Furthermore, such costs shall be allowable only to the extent that they are paid or accrued:
  - (i) Under an agreement (in effect for thirty-six (36) months prior to award of the Agreement resulting from this RFSOQ) entered into in good faith between Consultant and its employees, or;
  - (ii) Pursuant to an established organization-wide plan or policy followed by Consultant (for thirty-six (36) months prior to award of the Agreement resulting from this RFSOQ) so consistently as to imply an agreement for such incentive compensation, as determined by the CCJPA in its sole discretion.

In no event shall distribution of any profits be allowable as a form of incentive compensation.

- 4) The following shall be allowable costs only to the extent that they are treated as indirect costs:
  - (i) All labor costs and associated costs incurred in the preparation, submission and support of any WD or modifications thereto, and change orders whether or not accepted by CCJPA;
  - (ii) All labor costs and associated costs identified with financial administration (as described in Article 1.6, FINANCIAL ADMINISTRATION, of the Agreement), including but not limited to the preparation, submission and support of requests for reimbursement.

## 2. Fixed Fee Basis and Objectives

- a. The CCJPA will seek to establish a fair and reasonable fixed fee for Consultant in performing the Scope of Services associated with the Agreement. The CCJPA's objective in negotiating a fixed fee is not necessarily focused on Consultant's profit; rather its objective is to compensate Consultant for performance over and above allowable and allocable costs based on considerations described below.
- b. Consideration will be given to such factors as the complexity of the work to be performed, the risk borne by Consultant, Consultant's investment, the amount of subconsulting, the quality of its record of past performance, and industry and Consultant's profit rates for similar work.
- c. The CCJPA's fixed fee objectives are set forth in the Rate Agreement. CCJPA's objective relative to the fee for services provided under the Agreement is as follows:

- 1) The fixed fee applicable to services to be performed under the Agreement shall not exceed 8% above allowable and allocable costs. The fixed fee shall be applicable to Consultant's direct labor and overhead, subject to the further restrictions as set forth below:
  - (i) Consultant shall receive no fee on any overhead/indirect costs in excess of an equitable and audited rate as determined by CCJPA.
  - (ii) Consultant shall also receive an additional 2% fixed fee above allowable and allocable costs on subcontractor/subconsultant work performed under the Agreement.
- 2) CONSULTANT shall receive no fee for other direct costs.

### 3. Administrative Procedures

The administrative procedures for compensation and method of payment are set forth in Article 1.6, FINANCIAL ADMINISTRATION, Article 3.0, COMPENSATION AND PAYMENT, and Article 14.0, SUBCONTRACTS, of the Agreement.

#### I. Non-Discrimination in Subcontracting

It is the policy of the CCJPA to ensure that Consultants that contract with the CCJPA do not discriminate or give a preference in the work of its subconsultants on the basis of race, national origin, color, ethnicity, or gender.

#### J. Statements of Qualifications Submittal

Firms interested in being considered for award of the Agreement must submit the following as part of their SOQ:

1. Letter of Interest not exceeding two (2) single-sided, letter-sized pages summarizing the firm's understanding of the Project requirements and why the Proposer is most qualified to perform the requested services (as supported by the SF 330 and organization chart referred to below).
2. U.S. General Services Administration Standard Form 330 ("SF330"), "Architect-Engineer Qualifications," which is available at the following web site: <http://www.gsa.gov/forms>. The CCJPA will utilize the SF330 to obtain and evaluate information from a Proposer (or joint venture) and subconsultants ("Project Team") about their professional qualifications and experience. The SF330 provides general and specific instructions that should be followed to complete both Part I and Part II, unless otherwise indicated herein. Part I shall include information for the Key Personnel identified as team participants. Part II shall include information for the Proposer or each firm of the joint venture and subconsultants. In the event that the firm submitting a SOQ is a joint venture, the joint venture agreement must also be submitted as part of the SOQ.
3. Part I, "Contract-Specific Qualifications." Part I presents the qualifications for a specific contract. All sections of the SF330 are to be completed as instructed in the SF330 instructions, with the following additional instructions:

- a. Section D - Organization Chart of Project Team. The firm or the specific branch office of the Proposer shall have an office located within Northern California. Proposer shall submit a proposed Organization Chart showing relevant team members and Key Personnel showing the contractual and reporting relationship of each member and the firm with whom he or she is associated as well as the area(s) of expertise each team member address. A minimum of five (5) team members should be shown on the Organization Chart.
  - b. Section E - Resumes for Project Team for the Agreement. Resumes are to be submitted for the proposed Key Personnel to be utilized under the Agreement. Every person whose resume is provided shall be shown on the Organization Chart. Resumes submitted for persons who are not shown on the Organization Chart will not be considered. A minimum total of five (5) resumes are to be submitted per consultant firm (prime and sub distinct) and are limited to two pages in length per resume. For each area of expertise shown, no more than four (4) resumes should be shown. Key Personnel shall not be replaced for the duration of the Project without prior written approval from CCJPA.
  - c. Section E-19 - Relevant Projects. A listing of relevant projects, not to exceed three, shall be provided, in which persons listed on the organization chart had a significant role that demonstrates the persons' capability relevant to his/her proposed role relative to the Scope of Services. The listing for each project shall include a brief description (scope, size, cost, etc.) and provide the performance period (beginning date and completion date) of each project. The project description shall also include the specific role/responsibility of the individual and the duration that the individual worked on the project. In addition, provide a point of contact, telephone number, and email address for each project listed, as the CCJPA may choose to contact these references. Relevant projects should be shown based on the areas of expertise the Consultant(s) are pursuing with the SOQ.
  - d. Section F - Example Projects which Best Illustrate Proposer's Qualifications for this Agreement. Projects listed in Section F must be relevant projects, which were completed or are on-going by the Proposer. Select no more than six (6) projects per consultant firm (prime and sub distinct) that demonstrate the Proposer's experience and capability to perform work similar to that required for this Agreement and no more than three (3) projects in any one area of expertise. In addition, identify which projects, if any, for which Project Team members have worked together.
  - e. Section H – Additional Information. Include a narrative in this Section that discusses the Proposer's approach and any proposed innovations in performing planning, system operations, and/or engineering services as required by the Scope of Services. Limit the narrative to two (2) pages for each area of expertise pursued.
4. Part II, "General Qualifications." Part II presents the general qualifications of a firm or a specific branch office of a firm. Part II shall be submitted as instructed for the Proposer including, if a joint venture, for each firm of the joint venture and for each subconsultant.

**K. Conflict of Interest**

1. Depending upon the nature of the services performed, CCJPA consultants are subject to the same conflict of interest prohibitions which apply to CCJPA and BART employees. These include, but are not limited to, the applicable conflict prohibitions of the Federal government, and the requirements of California law (including Government Code Sections 1090 *et seq.* and 87100 *et seq.*, and Title 2, Division 6 of the California Code of Regulations.) Notwithstanding subsection 2 below, the CCJPA reserves the right to disqualify any Proposer

under this RFSOQ if the CCJPA, in its sole discretion, deems that the potential for conflicts of interest is likely to impair or restrict the Proposer's ability to furnish services contemplated within the Scope of Services.

2. A conflict of interest review will be performed by the CCJPA during evaluation of the SOQs.

L. **Project Team** – Proposers shall provide information concerning the Project Consultant Team, by completing and executing Exhibit 1 to this RFSOQ.

M. **Statement of Qualifications and Business References** - Proposers (or each firm of a joint venture) shall complete and execute Exhibit 2 - Statement of Qualifications and Business References.

N. **Exceptions to the Agreement**

1. In order to meet the CCJPA's schedule requirements, it is critical that the Agreement be executed immediately following selection of a CONSULTANT. Proposer shall be prepared to accept the terms and conditions of the Agreement immediately (a Sample Agreement for Consulting Services is provided as Attachment B).

2. If a Proposer desires to propose any changes in the Agreement, refer to Attachment E, PROTEST PROCEDURES. The Proposer must clearly identify in its SOQ each and every proposed change, the reasons therefor and the specific alternative language proposed. These factors will be taken into account during the CCJPA's evaluation of SOQs and/or during negotiations of fair and reasonable compensation. The CCJPA may develop price-related factors to be applied to any exceptions taken. **SOQs that take substantial exceptions to the Agreement or proposed compensation terms may be determined by the CCJPA, in its sole discretion, to be unacceptable and no longer considered for award.**

O. **SOQ Due Date and Submittal Requirements**

All SOQs must be submitted via email in digital form. SOQs must be received by 5:00 p.m. local time, on Monday, October 19, 2020. Timeliness of submittals will be based on email send delivery time.

1. Proposer is required to send two e-mails to [Opportunities@CapitolCorridor.org](mailto:Opportunities@CapitolCorridor.org) for the SOQ submission. The first email will contain the SOQ and all required attachments and forms, including the "PUBLIC RECORDS COPY" (see O.2 below). The second e-mail will be a confirmation of receipt email.

The email subject should identify the Consultant(s) name (e.g., ABC Consulting), the following reference, "CCJPA RFSOQ2020-001", and an identifying nature of the email, such as – SOQ Submittal. See the following example email subjects.

Example email #1 subject:

"ABC Consulting – CCJPA RFSOQ2020-001 – SOQ Submittal"

Example email #2 subject:

"ABC Consulting – CCJPA RFSOQ2020-001 – Confirmation of Receipt"

*The maximum file size limit for emails sent to [Opportunities@CapitolCorridor.org](mailto:Opportunities@CapitolCorridor.org) is 25 MB. If attached documents will not fit in one to two emails, then an alternative delivery system using Microsoft One Drive or Dropbox can be arranged as long as advance notification and coordination is arranged via the [Opportunities@CapitolCorridor.org](mailto:Opportunities@CapitolCorridor.org) email address. All deadlines will apply to any alternative methods of digital delivery.*

2. One (1) additional "PUBLIC RECORDS COPY", excluding Exhibit 2, CONFIDENTIAL STATEMENT OF QUALIFICATIONS AND BUSINESS REFERENCES. This copy shall be clearly marked "PUBLIC RECORDS COPY" in conspicuous letters on the cover but otherwise this Public Records copy may be sent via a single email with the main SOQ, as a separate email, or via the alternative digital delivery mediums identified above.

**P. Rejection of SOQs**

SOQs may be rejected if they show such items as: alterations of form; additions not called for; conditional SOQs; incomplete SOQs; irregularities which make the SOQ incomplete, indefinite, or ambiguous; improper markings and identification; or a signature by other than an authorized person.

**Q. Evaluation Procedure**

SOQs will be first evaluated as to responsiveness to the requirements of the RFSOQ and responsibility of the Proposer.

1. A SOQ will be considered responsive only if it complies in all material respects to the requirements of the RFSOQ.
2. A Proposer's organization will be considered responsible only if it has, or has indicated that it can obtain, the financial resources to fulfill successfully the requirements of the awarded Agreement, and possesses the ability to perform successfully under the terms and conditions of an awarded Agreement.
3. If a SOQ is determined to be non-responsive, or a Proposer's organization is determined to be not responsible for the purposes of the RFSOQ, such SOQ and/or Proposer will not be considered for award.
4. Only those SOQs that satisfy the foregoing requirements will be evaluated and scored on the basis of the qualifications and experience of the proposed Key Personnel and the firm(s). A competitive range will be established and used to determine those Proposers who will be "short-listed" and proceed to the oral presentation stage.

After the most qualified Proposer has been identified (by the evaluation procedure described herein) the CCJPA will, for the first time, review pricing information. A detailed cost analysis will be performed and utilized in negotiations in arriving at fair and reasonable compensation.

**R. Evaluation Criteria and Selection Process**

The CCJPA will utilize the data submitted in the SF330, the Organization Chart and related supporting narratives to evaluate and score the qualifications and experience of the Project Team (including subconsultants) in each separate area of expertise – planning, system operations, and engineering. The basis of selection will be on demonstrated competence and professional qualifications of the Key Personnel (see Exhibit 2. Confidential Statement of Qualifications and Business References, Section 7) and submitting firms, in accordance with the provisions of California Government Code Sections 4525-4529.5 for each separate area of expertise such that

for the basis of selection the CCJPA has suitable potential Consultant(s) for each area of expertise. Subsequent to these evaluations, the oral presentation phase will be conducted for the short-listed firms in such a way that there is at least one potential Consultant for each area of expertise. For the oral presentation phase, if Consultant(s) submit qualifications and experience addressing two or three (i.e., multiple) areas of expertise, they may be selected for their three, two, or just one areas of expertise.

Project Team Qualifications (including subconsultants) and Experience of the Firms are each weighted at 25%. The Oral Presentation will be weighted at 50%.

The scoring will be as follows:

1. Project Team Qualifications (including subconsultants) - 25%. Evaluation based on written submittal with a weight of 25%. The following criteria will be evaluated. Subsections 1. and 2. below are of equal importance.
  - a. Qualifications and relevant experience of the Key Personnel relative to the Scope of Services and the areas of expertise the Project Manager(s) address. The Project Manager(s) shall have professional accreditation in the State of California or demonstrate extensive experience with project management and other Key Personnel shall also be registered in the State of California in their respective disciplines (based on area of expertise) or be able to demonstrate extensive experience in their respective disciplines (based on area of expertise).
  - b. Overall strength and approach of the Project Team, including any previous working relationships amongst the team members.
2. Experience of the Firms - 25%. Evaluation based on written submittal with a weight of 25%. The following criteria will be evaluated:
  - a. Demonstrated experience and capability of the firms on railroad engineering design projects (worth 75% of the Experience of the Firm).
  - b. Demonstrated experience and knowledge of subjects included in the Scope of Service (worth 25% of the Experience of the Firm) for each area of expertise being pursued in the SOQ.

The above-described scoring will be used for the purpose of determining those firms with the highest scores to be short-listed and invited to an oral interview for their area of expertise where they scored highest and considering how those scored relative to the collective expertise based rankings from all submitted Consultant(s). The short-listed firms will be provided with the format of the oral interview, including a request to submit a milestone delivery schedule, and the Agreement format. The short-listed firms will also be requested to submit in a separate, sealed envelope the Provisional Cost Reimbursement and Rate Data (including direct and indirect rate information), which will not be opened until after completion of the oral interviews. This is included as Attachment D to this RFSOQ. The Provisional Cost Reimbursement and Rate Data of the firm deemed most qualified will then be opened. Said cost and rate data shall be valid for a period of one hundred eighty (180) days from the submittal date.

3. Oral Presentation - 50%. The oral presentation will be weighted at 50% of the total score used by the CCJPA to rank the SOQs. The criteria to be used in scoring the oral interview will again focus on the qualifications and experience of the Project Consultant Team. The oral presentation will need to address the areas of expertise presented by the Consultant in the SOQ unless specifically directed by CCJPA staff (for instance, if one area of expertise in the SOQ scored demonstrably lower relative to other areas of expertise and CCJPA only, for

instance, wants to interview the Consultant(s) for two high scoring areas of expertise but not a third low scoring area of expertise.

4. **CONSULTANT Selection.** All short-listed firms will be considered qualified based on their areas of expertise unless otherwise notified by CCJPA. By areas of expertise, the SOQs will be ranked in relation to the cumulative total of scores from a) the written statement of the Project Team Qualifications and Experience of the Firms, and b) the oral interview, including the milestone delivery schedule submitted.

The Proposer who receives the highest score for each area of expertise will be deemed to be most qualified for that specific area of expertise on the basis of the cumulative total of scores from the written SOQ and the oral interview. If a Proposer receives the highest score for one expertise and also scores highly in another area of expertise, the additional areas of expertise will be considered as secondary areas of expertise for that Proposer.

The Proposer with the highest score for an area of expertise will be selected to enter into negotiations regarding Agreement terms and conditions including fair and reasonable compensation for all their identified areas of expertise unless expressly noted based on “c” above.

CCJPA will select up to three (3) Consultant(s) to be awarded a MSA as long as all three areas of expertise are filled by top scoring Consultants in those areas of expertise. Failure of each selected Consultant to reach agreement on terms and conditions and fair and reasonable compensation will result in the formal conclusion of negotiations and the CCJPA will then undertake negotiations with the next most qualified firm.

5. **Anticipated Selection Schedule.** The tentative selection process schedule is as follows:

• RFSOQ Release Date	September 18, 2020
• Pre-Submittal Meeting Registration Posted	September 22, 2020
• Pre-Submittal Meeting	September 25, 2020 (1PM PST)
• Final Day to Submit Questions re: SOQ	October 2, 2020 (5 PM PST)
• SOQ Submission Date	October 19, 2020 (5 PM PST)
• Notification - Short-list for Oral Interviews	October 30, 2020
• Oral Interviews	November 9, 2020
• Firm(s) Selected for Negotiations (up to 3)	November 9, 2020
• All Firm(s) notified of selection status	Pending execution of contracts

**S. Notification of Award and Debriefing**

Proposers that submit a SOQ shall be notified at a minimum in via email regarding the firm to be awarded the Agreement. Said notification shall be made within five days of the date the CCJPA's Managing Director authorizes Award of the Agreement.

Firms that were not awarded the Agreement and desire a debriefing must request the debriefing in writing. Said request must be received by the CCJPA within five days of the above-described notification of award.

**T. Protest Procedures**

Any protest or objection to this RFSOQ or other procurement procedures must be submitted in accordance with CCJPA's Protest Procedure, included herein as Attachment E.

**U. Questions Regarding the RFSOQ**

Questions regarding this RFSOQ or requests for additional information shall be directed via email to the CCJPA's Contract Administrator. All inquiries shall be made to the CCJPA at least ten (10) calendar days before the SOQ submission date. Inquiries received less than ten (10) calendar days prior to such date may, at the CCJPA's sole option, not be responded to.

## **SCOPE OF SERVICES**

**for the**

### **ON-CALL PLANNING, SYSTEM OPERATIONS, AND ENGINEERING PROFESSIONAL SERVICES FOR**

### **CAPITOL CORRIDOR INTERCITY PASSENGER RAIL SERVICE**

#### **1.0 INTRODUCTION**

The Capitol Corridor Joint Powers Authority (“CCJPA” or the “Capitol Corridor”) is requesting consulting services to support various railroad system operations and/or planning and/or engineering/design projects for the Capitol Corridor intercity passenger rail service. The consulting services will be utilized on a work directive basis to accomplish specific tasks or objectives of the CCJPA.

In recent years, CCJPA has been involved in several rail service expansion and extension projects, the CCJPA Vision Plan, and numerous other miscellaneous railroad-focused planning/design efforts. Each of these efforts has required the use of external consultants with expertise in railroad engineering design, planning, limited environmental documentation/permitting, and/or system operations. Establishing on-call railroad consultant expertise for a five-year term will vastly improve CCJPA’s responsiveness to a wide variety of situations, whether they are grant opportunities or engineering design needs.

The CCJPA already has a list of potential actions over the five years which are expected to require the use of expert railroad engineering design, system operations, and planning consultants. Some potential projects and tasks to be performed by the CONSULTANT under this Scope of Services are discussed in further detail in Section 2.0, below. Not every consultant selected will necessarily have expertise in all tasks but each work directive will be approached to strategically match the expertise the Consultant can deliver.

#### **2.0 PROFESSIONAL RAILROAD PLANNING, SYSTEM OPERATIONS, & ENGINEERING SERVICES (as customized based on selected consultant expertise)**

There are currently no specific projects or tasks identified as part of this RFSOQ. However, some possible projects and tasks that could be part of the consulting services are described below:

- Track engineering design for capital projects
- Funding strategy development and funding plans
- Environmental documentation (CEQA/NEPA), permitting, and compliance
- Safety compliance procedures and system safety plan design
- Grant application development
- Strategic planning
- Operations modeling
- Schedule development

- Ridership forecasting
- Review and comment development of 3<sup>rd</sup> party planning documents
- Station area and station access planning
- Capital investment alternatives analysis
- Analysis of technology options
- Vision planning updates
- Procurement development assistance
- Station, maintenance, and layover facility infrastructure design
- Engineering feasibility studies relating to operational needs
- Conduct, host, or assist with public workshops
- Construction project management
- Construction inspection

Other considerations as part of these services include:

- Project Management. The CONSULTANT's project manager for the proposed work must possess exceptional communication as well as technical skills. The project manager must be easily accessible, responsive, and a problem-solver.
- Ensure that the accuracy and the quality of the work products are provided for by way of CONSULTANT procedures and controls.

## 2.1 Administrative tasks:

CONSULTANT shall efficiently perform the tasks that are generally associated with the consulting services provided. This is expected to include record keeping, documentation of work progress, progress reports, correspondence and conducting communications with CCJPA and other agencies as required:

### 2.1.1 Communications/Meetings/Record Keeping:

- CONSULTANT shall maintain a communication tracking system, approved by CCJPA, which identifies all formal communications between CONSULTANT and CCJPA.
- CONSULTANT shall maintain a reasonable level of consulting team staff who attends meetings with the project team. CCJPA expects prudent management of the CONSULTANT's sub-consultant team so that project costs are minimized and tailored for the meeting tasks at hand.
- CONSULTANT shall be required to meet with CCJPA staff and members of the project team on a schedule to be determined by CCJPA and in consultation with the project team for each subproject. CONSULTANT will prepare and distribute a record of these meetings satisfactory to CCJPA within two (2) working days after the meeting.

### 2.1.2 Progress Reporting:

CONSULTANT shall prepare and submit to CCJPA monthly progress reports and invoices that include financial data in a format jointly developed with CCJPA for all active work directives. The report shall be submitted as an attachment to the invoice submittal. The report shall be submitted within ten (10) days following the end of each month unless otherwise specified by CCJPA.

2.1.3 Scheduling/Cost Management:

CONSULTANT shall develop schedules with deliverables and milestones for each subproject or task.

2.1.4. Quality Control/Quality Assurance ("QC/QA"):

CONSULTANT shall provide to CCJPA a QC/QA program to ensure the accuracy and quality of the work products provided to CCJPA for approval. The QC/QA program should focus on effectiveness with minimum cost to the Project.

**3.0 PROJECT SUBMITTALS**

CONSULTANT shall submit its Scope of Services and Project Submittals to CCJPA for review and comment. List of Project Submittals shall be determined by Work Directive after discussions between Consultant and CCJPA.

## A G R E E M E N T

In consideration of the mutual promises set forth herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

### 1.0 WORK TO BE PERFORMED

The parties agree that the work to be performed by the CONSULTANT under this Agreement shall be as hereinafter set forth in this Article 1.0;

### 1.1 SCOPE OF SERVICES

CONSULTANT's services are described in Attachment A, SCOPE OF SERVICES, incorporated herein and by this reference made a part hereof. CONSULTANT shall be responsible to perform or secure the performance of all requested services in their entirety subject to the prior written approval of work plan(s) ("Work Directive(s)" or "WD(s)") by a designated representative ("Project Director"). The Project Director may designate a different representative for each WD.

### 1.2 WORK DIRECTIVES

CONSULTANT shall provide services to CCJPA for the tasks as described in each WD subject to prior approval in accordance with the following procedures.

#### A. Work Directive Proposal Request

CCJPA will initiate a WD by transmitting to the CONSULTANT a Work Directive Proposal Request ("WDPR") that describes an initial task description and implementation schedule.

#### B. Work Directive Proposal

CONSULTANT will then prepare a detailed Work Directive Proposal ("WDP") and transmit it to CCJPA within the time specified in the WDPR. CCJPA reserves the right to pursue this among selected on-call consultants via a competitive proposal that CCJPA staff will evaluate. The WDP shall specify the following:

1. Services to be performed by the CONSULTANT (see Article 1.1 above and Attachment A);
2. Management Plan that includes a list of Key Personnel (see Article 1.5 below);
3. Budget Plan including a detailed cost estimate and a cost-loaded schedule;
4. Work Breakdown Structure;
5. Schedule;
6. List of subconsultants, their scope of work and estimated value of work;
7. Work products (see Article 1.1 above and Attachment A); and
8. WD project specific procedures (see Article 1.4, below).

C. WDP Evaluation

CCJPA will evaluate the WDP. In its discretion, CCJPA may request CONSULTANT to revise and resubmit the WDP.

D. Acceptance of WDP

CCJPA will notify CONSULTANT in writing whether a WDP has been accepted. A WDP not accepted in writing shall be deemed rejected.

E. Rejection of WDP

If a WDP or its revision is rejected, neither party shall have any rights or obligations arising out of the WDP or WDPR.

F. Acceptance of WD

Each WD shall be placed into effect by the Project Director and by the acceptance of the CONSULTANT. In addition, at any time during the course of the WD performance, the Project Director may revise the WD by project direction, subject to acceptance by CONSULTANT.

G. Conflict of Interest

Each WD shall incorporate the provisions of this Agreement by reference. A conflict of interest review will be performed by CCJPA prior to issuing project direction under a WD.

1.3 MANAGEMENT PLAN AND PROCEDURES

A. Management Plan

In response to a WDPR from CCJPA, at a minimum, CONSULTANT shall submit with each WDP a list of Key Personnel assigned as defined by Article 1.5 below.

CONSULTANT agrees not to make any substitution of subconsultants without prior approval of the Project Director after a WDP has been accepted in writing by the Project Director.

B. Management Procedures

Apart from any specific WDs, CONSULTANT and those subconsultants at any tier that CCJPA at its discretion may identify, shall develop, implement and maintain procedures, all subject to approval by CCJPA's Project Director, who gives direction as to the performance of the work by CONSULTANT or subconsultant personnel, including, but not limited to, performance of WDs.

The intention of the parties is for CONSULTANT or its subconsultants, to develop, implement and maintain clear, concise, and project specific procedures to give CCJPA reasonable assurances that all charges for direct labor and other direct costs are relevant and necessary to accomplish the WD scope.

1.4 PROJECT AND ORGANIZATIONAL PROCEDURES

A. Modification of Procedures

At the direction of the Project Director, pursuant to a WD, CONSULTANT shall develop or modify previously proposed WD project specific procedures in accordance with a schedule and in a form approved by the Project Director. Such procedures as developed or modified shall be specifically related to activities performed for the WD project and basic CONSULTANT functions including, but not limited to, the process of budgeting, invoicing, and submitting reports to CCJPA hereunder. The intention of the parties is for CONSULTANT to develop, implement and maintain clear and concise WD project specific procedures.

B. Additional Modifications

In addition to any specific WD project procedures as described immediately above, and apart from any specific WDs, CCJPA may require CONSULTANT to revise its WD project procedures other than those set forth immediately above in Article 1.3 that are used throughout its organization if they conflict with the requirements of this Agreement.

1.5 PERSONNEL

A. Key Personnel

CONSULTANT and CCJPA agree that the personnel listed in Attachment B, KEY PERSONNEL LIST, incorporated herein and by this reference made a part hereof, shall be designated as Key Personnel. CONSULTANT shall also make every effort to ensure that the key personnel maintain, at a minimum, \_\_\_\_\_ percent (\_\_\_%) of their proportionate share of the estimated number of hours for a WD.

CONSULTANT shall not remove any such Key Personnel prior to the completion of his/her assignment under the Project without the prior written approval of the Project Director, which approval will not be unreasonably withheld. CONSULTANT shall nominate a replacement individual to CCJPA and shall not remove any individual from the Project until his/her replacement has been approved by the Project Director.

B. Notice of Temporary Assignment

CONSULTANT shall provide the Project Director with written notice of the temporary assignment of any personnel to an individual WD Project.

1. All time records shall be in writing, recorded by the employee and verified by the immediate supervisor. Such records shall (i) be complete, (ii) record all employee's activities, Project and non-Project related, within a given accounting period and (iii) identify by means of cost codes what activities were being performed.
2. All charges for labor (direct/indirect or hourly as appropriate) by personnel for the Project shall be identifiable to the nearest half-hour.

C. "California Public Employees" Retirement System (CalPERS) COMPLIANCE

To ensure compliance with state laws and regulations related to membership in CalPERS, CONSULTANT shall comply with the following requirements:

1. Written verifications regarding prior service at a CalPERS agency:

    2. Whether or not the individual is a CalPERS retired annuitant.
2. CalPERS members - Employee contribution to CalPERS:

- b. Such certification shall be submitted monthly with each invoice.

D. **Cost Reimbursement Services**

For those services performed on a cost reimbursable basis by CONSULTANT and those subconsultants at any tier that CCJPA at its discretion may require, the following shall apply:

- 1. For all indirect cost groupings, budgets shall be developed on an annual basis which coincide with the entity's fiscal year.
- 2. The system of accounting shall at a minimum, (i) report on a quarterly basis, a comparison between the actual indirect costs incurred to that budgeted, and (ii) reconcile all compensation for direct costs including, but not limited to, payroll, inventory and accounts payable against incurred cost, as set forth in Article 3.1, COMPENSATION.

E. **Approval of Procedures**

CCJPA's Project Director (i) may approve existing procedures that meet these criteria as well as waive certain specific requirements of this Article (provided that such approvals or waivers are made in writing); or (ii) may require copies of any of this accounting material, records, reports or procedures.

**2.0 TIME OF PERFORMANCE AND DELAYS**

**2.1 TIME OF PERFORMANCE**

A. **Performance of Scope of Service**

CONSULTANT's performance of Scope of Services as described in Attachment A shall commence upon receipt of a Notice to Proceed issued by CCJPA for each respective WD and shall be completed within the number of calendar days specified in such WD, unless terminated earlier in accordance with Article 5.0, TERMINATION, or if the limit on maximum compensation established in Article 3.1, COMPENSATION, is reached.

B. Term of Agreement

The term of this Agreement will be two (2) years from the date of execution of this Agreement, subject to termination as provided for in the Agreement.

2.2 DELAYS

Neither party hereto shall be considered in default in the performance of its obligations hereunder to the extent that the performance of any such obligation is prevented or delayed by unforeseen causes including acts of God, acts of the public enemy and governmental acts beyond the control and without fault or negligence of the affected party.

Each party hereto shall give notice promptly to the other of the nature and extent of any such circumstances claimed to delay, hinder or prevent performance of any obligations under this Agreement.

**3.0 COMPENSATION AND PAYMENT**

3.1 COMPENSATION

A. Basis

The compensation for each WD performed under this Agreement will be on a fixed price basis, an incurred cost reimbursement basis plus a fixed fee, or some combination thereof. Such compensation will be allowable only to the extent that costs incurred or cost estimates included in negotiated, or otherwise established prices, are consistent with the Federal Cost Principles (Title 48, Code of Federal Regulations, Chapter 1, Part 31).

B. Requirements

Such compensation shall be further subject to the following requirements:

1. Conform with:
  - a. the work to be performed pursuant to an accepted WD;
  - b. any compensation limits or sublimits set forth in such WD(s), and this Agreement; and
  - c. all other terms of this Agreement.
2. Be necessary in order to accomplish the work.
3. Be reasonable for the services to be performed or goods to be purchased in connection with the performance of services hereunder.
4. Be actual net costs or prices to the CONSULTANT or its subconsultants at any tier, (e.g. the cost or price less any refunds, rebates, or other items of value received by CONSULTANT or its subconsultants at any tier, that have the effect of reducing the cost or price actually incurred).

As used herein, the term "costs" shall include the following:

- a. Those costs recorded by CONSULTANT that result, at the time of the request for reimbursement, from payment by cash, check, or

other form of actual payment for items or services purchased directly for the work.

b. When CONSULTANT is not delinquent in payment of costs of agreement performance in the ordinary course of business, costs incurred, but not necessarily paid, for:

- (1) Direct labor;
- (2) Other direct costs that are not subcontracted;
- (3) Indirect costs.

c. The amount of reimbursement that has been paid by CONSULTANT for subcontracted services under similar cost standards.

5. Be for direct costs or prices incurred for work performed after the effective date of this Agreement and presented for payment within one hundred eighty days (180) days of the incurrence.

C. Rate Agreement

In addition to these requirements, the parties will negotiate in good faith and enter into a Provisional Cost Reimbursement and Rate Agreement ("Rate Agreement") on an annual or multi-year basis for the work to be performed for each CONSULTANT fiscal year(s). At the end of the annual or multi-year period, either party may request a rate adjustment subject to negotiation between the parties and modification to the Rate Agreement. Should the parties fail to negotiate a new Rate Agreement, CONSULTANT agrees to accept the provisions of the previous Rate Agreement until such time as a new Rate Agreement is executed. If neither party requests a rate adjustment, the rates contained therein shall remain in effect until completion of Agreement No. \_\_\_\_ - \_\_\_\_.

D. Notification

The CONSULTANT shall inform the Project Director when total expenditures for all approved WDs exceed 50% and then 75% of the maximum compensation (\$4M) for this Agreement.

E. CONSULTANT Costs

All CONSULTANT costs associated with providing services that are identified in this Agreement as being apart and separate from any individual WD, are considered to be either indirect costs or a portion of the CONSULTANT fee, as the case may be.

F. Compensation Limits

Subject only to changes made in conformance with Article 4.0, CHANGES AND MODIFICATIONS, below, it is expressly understood and agreed that:

1. In no event shall CONSULTANT be compensated in an amount greater than the amount in an individual WD, for services performed under such WD; and
2. In no event will the total compensation and reimbursement for expenses to be paid CONSULTANT for services described in Article 1.1, SCOPE OF SERVICES, above and services described in Attachment A hereto, exceed Four Million Dollars (\$4,000,000).

3.2 DISALLOWED OR OTHERWISE UNRECOGNIZED COSTS

CONSULTANT understands and agrees to the following:

A. Waiver

Any compensation or reimbursement received under this Agreement does not constitute a final decision by the CCJPA as to the allowability of such compensation or reimbursement and does not constitute a waiver of any violation by CONSULTANT of the terms of this Agreement (including, but not limited to, requirements of the Agreement to be included in CONSULTANT's subcontracts).

B. Final Determination

Unless approved otherwise by the Project Director, the CCJPA will not make final determination about the allowability of compensation or reimbursement of cost received under this Agreement until an audit of this work performed under this Agreement has been completed.

C. Notification

If the CCJPA determines that CONSULTANT or its subconsultant(s) is not entitled to either the compensation or reimbursement requested or received, the CCJPA will notify CONSULTANT stating the reasons therefor.

D. Return of Funds

Completion of the work under this Agreement will not alter CONSULTANT's or its subconsultant(s)' obligation to return any funds due the CCJPA as a result of later refunds, corrections, or other transactions, nor alter the CCJPA's right to disallow or otherwise not recognize costs on the basis of a later audit or other review.

3.3 METHOD OF PAYMENT

A. Monthly Invoices/Subconsultant Payment

Unless approved otherwise by the Project Director, CONSULTANT's services shall be invoiced on a monthly basis and payment will be made within thirty (30) calendar days of receipt of an acceptable invoice with satisfactory backup documentation, approved by the Project Director, provided a completed form W-9 is on file with CCJPA. As used herein, the term "invoice" shall include the CONSULTANT's bill or written request for payment under this Agreement for services performed. All invoices shall be made in writing and submitted with two duplicates at a minimum.

CONSULTANT shall promptly pay any and all subconsultants by an instrument that guarantees availability of funds immediately upon deposit of said instrument. The CONSULTANT shall include in its monthly invoice submission to CCJPA, amounts to pay for all subconsultants' acceptable invoices, no later than thirty (30) days after receipt of such invoices. Unless otherwise approved in writing by the Project Director, CONSULTANT shall, within ten (10) calendar days after receipt of the payment made by CCJPA, pay to each of its immediate subconsultants (or their respective assignees), for satisfactory performance of its contract, the amounts to which each is entitled, after deducting any prior payments and any amounts due and payable to CONSULTANT by those subconsultants. Any delay or postponement of

payment among the parties may take place only for good cause and with the CCJPA's prior written approval. If the CONSULTANT determines the work of the subconsultant to be unsatisfactory, the CONSULTANT must immediately notify in writing the Project Director and state the reasons therefor. Failure by CONSULTANT to comply with this requirement will be construed to be a breach of contract and may result in sanctions as specified in this Agreement.

In addition, the CONSULTANT must promptly return any retentions withheld to a subconsultant within thirty (30) days after the subconsultant's work is satisfactorily completed.

B. Invoice Procedures

CONSULTANT shall invoice for the then current WD in conformance with procedures approved by the Project Director and the then current Rate Agreement.

1. Such invoices shall segregate current costs from other costs. Current costs are those costs which have been paid within the last sixty (60) calendar days and not previously submitted to CCJPA for reimbursement. Other costs shall include, but not be limited to, the following:
  - a. Costs for which the CCJPA has requested additional justification for allowance;
  - b. Costs which have been recorded by CONSULTANT in the current accounting period and not incurred as an obligation within the last ninety (90) calendar days.
2. Costs for individual labor shall be identified by activity and product in a manner consistent with that of the detailed cost estimate submitted with CONSULTANT's WDP.
3. Notwithstanding the above, in no case shall CONSULTANT invoice for costs which CCJPA has disallowed or otherwise indicated that it will not recognize.

C. Invoice Requirements

Such invoices shall be, at a minimum, (i) mechanically accurate, (ii) substantially vouchered and properly supported and (iii) in compliance with the specific requirements of Article 1.6, FINANCIAL ADMINISTRATION above.

D. Certification

CONSULTANT shall also certify, for each invoice, that (i) the hourly rates for direct labor, whether for CONSULTANT or its subconsultant(s), to be reimbursed under this Agreement are not in excess of the actual hourly rates in effect for CONSULTANT or subconsultant employees engaged in the performance of services under this Agreement at that time, and (ii) that such hourly rates are in conformance with the then current Rate Agreement.

E. Fixed Fee

The fixed fee for CONSULTANT or any of its subconsultants shall be billed monthly on a percent complete basis as approved by the Project Director.

CCJPA in its sole discretion may make any of the remaining fixed fee payments due CONSULTANT, or any of its subconsultants, in full; or may withhold any amount up to one hundred percent (100%) thereof as CCJPA may find appropriate, based on the progress of CONSULTANT and/or any of its subconsultants.

F. Invoice Submittal Address

All invoices, indicating this Agreement name and number, and the CCJPA supplied Purchase Order number (PO#) and Supplier Identification Number shall be e- mailed to CCJPA as follows:

By email (preferred): [ap\\_supplier@bart.gov](mailto:ap_supplier@bart.gov)

G. Taxpayer Identification Number

CONSULTANT represents that CONSULTANT's taxpayer identification number (TIN) is evidenced by a completed Federal Form W-9 on file with CCJPA on the date of execution of this Agreement. CONSULTANT agrees to file such tax forms as may be reasonably requested by CCJPA to implement Internal Revenue Code Section 3406 and to accept as a part of any compensation due, any payments made by CCJPA to the Internal Revenue Service pursuant to that Section.

3.4 WITHHOLDING OF PAYMENT

CCJPA reserves the right to withhold payment(s) otherwise due CONSULTANT in the event of CONSULTANT's material non-compliance with any of the provisions of this Agreement, including, but not limited to, the requirements imposed upon CONSULTANT in Article 6.0, INSURANCE; Article 8.0, INDEMNIFICATION; and Article 9.1, WARRANTY OF SERVICES, below. CCJPA shall provide notice of withholding and may continue the withholding until CONSULTANT has provided evidence of compliance which is acceptable to CCJPA.

4.0 CHANGES AND MODIFICATIONS

CCJPA reserves the right to order changes to this Agreement, and modifications to WDs, to be performed pursuant to this Agreement, as set forth below.

4.1 CHANGES

A. Services

CCJPA reserves the right to order changes to this Agreement including but not limited to, the services to be performed by CONSULTANT. All such changes shall be incorporated in written change orders duly executed by CCJPA and CONSULTANT, which shall specify the changes ordered and the adjustment of compensation and completion time required therefor.

B. Execution

Any such services added to the scope of this Agreement by a change order shall be executed under all applicable conditions of this Agreement. No claim for additional compensation or extension of time shall be recognized unless contained in a duly executed change order.

## 4.2 MODIFICATIONS

### A. Work Directive Modifications

CCJPA reserves the right to order modifications to WDs, including but not limited to, the services to be performed by CONSULTANT pursuant to an accepted WD. All such modifications to a WD shall be incorporated in written WDMs, executed by the Project Director and the CONSULTANT, which shall specify the modifications ordered and the adjustment of compensation and completion time required therefor.

### B. Additional Compensation

Any such services added to the scope of this Agreement by a Work Directive Modification ("WDM") shall be executed under all applicable conditions of this Agreement. No claim for additional compensation or extension of time with respect to a WD shall be recognized unless contained in a duly executed WDM. The parties also understand and agree that CONSULTANT will not be reimbursed for costs incurred prior to the effective date of a duly executed WDM.

## 5.0 TERMINATION

### 5.1 TERMINATION FOR CONVENIENCE

CCJPA may, at any time prior to completion of the work under any WD or the work under this Agreement, terminate any such WD, or this Agreement whenever CCJPA determines that such termination is in its best interest, by written notice to CONSULTANT. CCJPA's written notice to CONSULTANT shall state in detail the extent of such termination with respect to WD, or this Agreement. Effective on receipt of such notice of termination from CCJPA, no new work or obligation with respect to such WDs, or this Agreement will be undertaken by CONSULTANT unless so directed by CCJPA in writing. Upon such termination, CONSULTANT shall submit an invoice or invoices to CCJPA in amounts which represent the compensation specified herein for services actually performed to the date of such termination and for which CONSULTANT has not been previously compensated. Upon payment of the amount due, CCJPA shall be under no further obligation to CONSULTANT, financial or otherwise, with respect to terminated WDs, or this Agreement if it is terminated.

### 5.2 TERMINATION FOR CAUSE

If CONSULTANT should be in default and fails to remedy this default within five (5) calendar days after receipt from CCJPA of notice of such default, CCJPA may in its discretion terminate this Agreement or such portion thereof as CCJPA determines is most directly affected by the default.

The term "default" for purposes of this provision includes, but is not limited to, the performance of work in violation of the terms of this Agreement; abandonment, assignment or subletting of the Agreement without approval of CCJPA; bankruptcy or appointment of a receiver for CONSULTANT's property; failure of CONSULTANT to perform the services or other required acts within the time specified for this Agreement or any extension thereof; refusal or failure to provide proper workmanship; failure to take effective steps to end a prolonged labor dispute; and the performance of this Agreement in bad faith.

Upon CCJPA's termination of this Agreement or any portion thereof for default by CONSULTANT, CCJPA reserves the right to complete the work by whatever means it deems expedient and the expense of completing such work as well as any and all damages proximately caused by the default shall be charged to CONSULTANT.

### 5.3 FORCE MAJEURE

The performance of work under this Agreement may be terminated by CCJPA, in its discretion, upon application therefor by CONSULTANT for unforeseen causes beyond the control and without the fault or negligence of CONSULTANT, including acts of God, acts of the public enemy, governmental acts, fires and epidemics if such causes irrevocably disrupt or render impossible CONSULTANT's performance hereunder. An "act of God" shall mean an earthquake, flood, cyclone, or other cataclysmic phenomenon of nature beyond the power of CONSULTANT to foresee or make preparation in defense against.

### 6.0 INSURANCE

At all times during the life of this Agreement to acceptance of the work covered by the Agreement, or as may be further required by the Agreement, CONSULTANT, at its own cost and expense, shall provide the insurance specified in this Article 6.0, unless otherwise approved in advance and in writing by the Project Director.

#### A. Evidence Required

At or before execution of this Agreement and at such other times as the CCJPA may request, CONSULTANT shall provide the CCJPA with Certificate(s) of Insurance executed by an authorized representative of the insurer(s) evidencing the CONSULTANT's compliance with the insurance requirements in this Article 6.0. The Certificate(s) shall reference the CCJPA's Agreement Number and Title to which the Certificate relates. In addition, a copy of all required endorsements shall be included with and attached to the Certificate(s) of Insurance.

Accordingly, all notices shall be sent to BART's Department Manager, Insurance, San Francisco Bay Area Rapid Transit District, P.O. Box 12688, Oakland, California, 94604-2688. The CONSULTANT shall annually submit to the BART's Department Manager, Insurance, certifications confirming that the insurance required has been renewed and continues in place.

CONSULTANT has, and hereby retains, full control over the employment, direction, compensation and discharge of all persons employed by CONSULTANT who are assisting in the performance of services under this Agreement. CONSULTANT shall be fully responsible for all matters relating to the payment of its employees, including compliance with social security, withholding tax and all other laws and regulations governing such matters. CONSULTANT shall be responsible for its own acts and those of its agents and employees during the term of this Agreement.

In its capacity as an independent contractor, CONSULTANT shall comply with any and all CCJPA operations rules and procedures which relate to the performance of its services on CCJPA property.

**7.1 CONFLICT OF INTEREST**

CONSULTANT, its subconsultants and suppliers shall perform all work under this Agreement in conformance with all applicable statutes and regulations pertaining to conflicts of interest, including but not limited to, the financial reporting requirements and the conflict prohibitions of federal law (see, e.g., Federal Transit Administration Circular 4220.1F, Third Party Contracting Requirements) and California law (see, e.g., Government Code Section 1090 et seq., Government Code Section 87100 et seq. and Title 2, Division 6 of the California Code of Regulations).

When, in the judgment of CCJPA, it is necessary in order to avoid any potential conflicts of interest, CONSULTANT, its subconsultants and suppliers may be precluded from

subsequently participating as a vendor or contractor on projects for which they are providing services under this Agreement.

## 7.2 CONSULTANT PERSONNEL

CONSULTANT shall ensure that any person employed by CONSULTANT, whose duties include work on matters involving CCJPA, is made aware that he or she is required to disclose immediately to CONSULTANT any offer of employment from any person or entity currently doing business with CCJPA or proposing to do business with CCJPA. CONSULTANT shall immediately so notify the Project Director, and ensure that unless, and until the offer of employment is unequivocally rejected by CONSULTANT's employee in writing and a copy of this rejection is transmitted to the Project Director, CONSULTANT shall remove such employee from any projects or services relating to CCJPA. Failure of CONSULTANT to comply with the provisions of this section may result in termination of this Agreement by CCJPA for default upon written notice to CONSULTANT.

In no event shall the cost to defend charged to the CONSULTANT exceed the CONSULTANT's proportionate percentage of fault. The duty to indemnify and the duty and the cost to defend are acknowledged to be limited by Section 2782.8 of the Civil Code.

## 9.0 WARRANTY OF SERVICES AND MATERIAL NONCOMPLIANCE BY CONSULTANT

### 9.1 WARRANTY OF SERVICES

CONSULTANT warrants that its consulting services will be performed in accordance with the standards imposed by law upon professional engineering service firms performing engineering services of a similar nature at the time such services are rendered. In addition, CONSULTANT shall provide such specific warranties as may be set forth in individual WDs as agreed upon by the parties.

B. Re-performance

In the event that any services provided by CONSULTANT hereunder are deficient because of CONSULTANT's or a subconsultant's failure to perform said services in accordance with the warranty standards set forth above, CCJPA shall report such deficiencies in writing to CONSULTANT within a reasonable time. CCJPA thereafter shall have:

1. The right to have CONSULTANT re-perform such services at CONSULTANT's own expense, or
2. The right to have such services done by others and the costs thereof charged to and collected from CONSULTANT if, within thirty (30) calendar days after written notice to CONSULTANT requiring such reperformance, CONSULTANT fails to give evidence satisfactory to CCJPA that it has undertaken such reperformance.

C. Re-performed Services

If CONSULTANT is required to correct or re-perform any services as provided in Article 9.1 B.1. (immediately above), any services corrected or re-performed by CONSULTANT shall be subject to this Article 9.1 to the same extent as work initially performed.

9.2 MATERIAL NONCOMPLIANCE BY CONSULTANT

CCJPA reserves the right to withhold payments to CONSULTANT in the event of CONSULTANT's material noncompliance with Articles 8.0, INDEMNIFICATION and 9.0, WARRANTY OF SERVICES AND MATERIAL NONCOMPLIANCE BY CONSULTANT, above.

**10.0 DATA TO BE FURNISHED BY CCJPA**

All data, reports, surveys, studies, drawings, and any other documents and materials made available to CONSULTANT by CCJPA for use by CONSULTANT in the performance of its services under this Agreement shall be made available for information only and shall be returned to CCJPA at the completion or termination of this Agreement.

**11.0 OWNERSHIP OF WORK PRODUCTS**

11.1 DOCUMENTS

All drawings, designs, specifications, manuals, reports, studies, surveys, models, software (including source code), and any other documents, materials, data and products ("Work Products") prepared or assembled by CONSULTANT or obtained from others ("Subcontractors") by CONSULTANT in connection with the services under this Agreement shall be the property of CCJPA; and copies shall be delivered to CCJPA promptly upon the completion of the work or upon an earlier termination of this Agreement. CONSULTANT shall be responsible for the preservation of any and all Work Products prior to transmittal to CCJPA; and CONSULTANT shall replace any such Work Products as are lost, destroyed or damaged while in its possession without additional cost to CCJPA.

11.2 ASSIGNMENT OF RIGHTS

CONSULTANT hereby assigns to CCJPA all right, title and interest including, but not limited to, copyright, patent, trademark and trade dress rights, in and to the Work Products.

CONSULTANT acknowledges CCJPA's exclusive rights to reproduce, publish, display, create derivative works from, sell, transfer or otherwise exploit ("Use"), and permit others to Use all or any part of the Work Products, and to obtain and hold in its own name patents, copyright and/or trademark registrations for the Work Products. CONSULTANT shall provide all documentation, information and assistance reasonably required by CCJPA to obtain such registrations or patents, or with respect to claims that third parties have infringed the Work Products.

### 11.3 WARRANTY OF WORK PRODUCT

CONSULTANT warrants and represents that the Work Products are original to CONSULTANT or its Subcontractors and shall not infringe the copyright, trademark, trade secret, privacy, publicity, patent or other intellectual property or proprietary rights of any third party; CONSULTANT will not attempt to license or transfer to any person or entity any interest in the Work Products; and CONSULTANT shall obtain from all Subcontractors written assignment of all rights, title and interest, including copyright and other intellectual property rights, in their contributions to the Work Products.

### 12.0 PATENTS

CONSULTANT agrees to communicate promptly to CCJPA full particulars with respect to any and all improvements and inventions (whether or not patentable) conceived by it in connection with work performed by it hereunder. Subject to rights due to the United States Government under a grant of the FTA, if any, assisting the financing under this Agreement, such improvements and inventions shall become the property of CCJPA and CONSULTANT agrees to assign to CCJPA, upon CCJPA's request, all of its right, title and interest in and to ideas and inventions and in and to any and all patents and applications for patents based thereon, including both United States and foreign patents and applications for patents. CONSULTANT further agrees, upon CCJPA's request and at CCJPA's expense, to execute such proper instruments and to perform such proper acts as may be deemed by CCJPA necessary to evidence CCJPA's title to said improvements and inventions, and to enable CCJPA to obtain such patents and any continuations, reissues or extensions thereof.

### 13.0 MATTERS CONFIDENTIAL AND PRIVILEGED

All of the drawings, designs, specifications, manuals, reports, studies, surveys, models, or other data and products prepared or assembled by CONSULTANT, obtained from others by CONSULTANT or made available to CONSULTANT by CCJPA in connection with the services under this Agreement, shall be treated as confidential by CONSULTANT. At no time shall CONSULTANT use or disclose or make available, other than in the performance of CONSULTANT's services for CCJPA, confidential information gained in the course of or by reason of CONSULTANT's retention by CCJPA and/or performance of services for CCJPA, nor shall CONSULTANT permit such use or disclosure, without prior written approval by CCJPA. It is the intention of CCJPA to preserve and make use of all applicable legal privileges, and CONSULTANT shall make all reasonable efforts to cooperate with CCJPA in this regard.

### 14.0 SUBCONTRACTS

#### A. Approved Subcontracts

CONSULTANT shall use approved subconsultants as shown in Attachment PCT (Project Consultant Team) hereto and as listed in each WD. CONSULTANT shall

not further subcontract all or any portion of its services under this Agreement or a WD without the prior written approval of the Project Director and any attempt to do so shall be void and unenforceable. Written approval by the Project Director of use of a subconsultant for specified services in connection with one WD or project shall not constitute approval for any other purpose. In the event that CONSULTANT enters into one or more subcontracts pursuant to this Article, it is understood and agreed that the participating subconsultants shall be solely and directly responsible to CONSULTANT, and CCJPA shall have no obligation to them.

B. Subcontract Provisions

CONSULTANT agrees that the requirements in: Articles 1.3 B, 1.4, 1.5, 1.6, 3.1A, 3.1B, 3.2 and 4.0 through 31.0, inclusive, of this Agreement, will be included in every subcontract entered into relating to services under this Agreement. Upon request, the CONSULTANT shall provide CCJPA with copies of all such subcontracts, with changes and amendments thereto.

**15.0 ASSIGNMENT OF AGREEMENT**

CONSULTANT shall not assign this Agreement, or any part thereof, without the prior express written consent of the Project Director, and any attempt to do so shall be void and unenforceable.

**16.0 RECORDS**

CONSULTANT shall maintain full and adequate records to show the actual time devoted and the cost incurred by CONSULTANT with respect to the performance of services under this Agreement.

CONSULTANT and its subconsultants shall establish and maintain records pertaining to the fiscal activities of the Project. CONSULTANT's and subconsultants' accounting systems shall conform to generally accepted accounting principles and all records shall provide a breakdown of total costs charged to the Project, including properly executed payrolls, time records, invoices and vouchers.

**17.0 AUDIT**

CONSULTANT and its subconsultants shall permit CCJPA and its authorized representatives to inspect, examine, make excerpts from, transcribe, and copy CONSULTANT's and subconsultant's books, work, documents, papers, materials, payrolls, records, accounts, and any and all data relevant to this Agreement at any reasonable time for the purpose of auditing and verifying statements, invoices or bills submitted by CONSULTANT pursuant to this Agreement, and shall provide such assistance as may be reasonably required in the course of such inspection including, but not limited to, the following:

A. Audit Interviews

CONSULTANT shall arrange audit entrance and exit interviews in which CONSULTANT and/or its subconsultants and CCJPA and/or its authorized representatives will participate.

B. Accessing Documents

CONSULTANT's and its subconsultants' accounting divisions shall provide instruction to CCJPA on accessing documents.

C. Letter of Representation

CONSULTANT's management, or the management of a subconsultant, as well as the management of their appropriate units, will provide at CCJPA's request a letter of representation concerning such matters as CCJPA determines appropriate.

CCJPA further reserves the right, for itself and its authorized representatives, to examine and re-examine said books, work, documents, papers, materials, payrolls, records, accounts and data during the three-year period following the final payment under this Agreement and until all pending matters are closed; and CONSULTANT and its subconsultants shall in no event dispose of, destroy, alter or mutilate said books, work, documents, papers, materials, payrolls, records, accounts and any and all data in any manner whatsoever for three (3) years after the final payment under this Agreement, or until all pending matters are closed, whichever is later.

Pursuant to California Government Code Section 8546.7, the parties to this Agreement shall be subject to the examination and audit of the State Auditor, at the request of CCJPA or as part of any audit of CCJPA by the State Auditor, for a period of three (3) years after final payment under this Agreement. The examination and audit shall be confined to those matters connected with the performance of this Agreement, including, but not limited to, the cost of administering this Agreement.

**18.0 PRICE REDUCTION FOR DEFECTIVE COST OR PRICING DATA**

If any price, including profit or fee, negotiated in connection with, or any reimbursement of cost including profit or fee, under this Agreement, any WD, modifications thereto, Rate Agreement or change order to this Agreement was increased because CONSULTANT furnished cost or pricing data that were not complete, accurate, and current at such time as the price was determined, the price or cost shall be reduced accordingly and the Agreement, WD(s), Rate Agreement(s), or change order(s) and any applicable invoice(s) shall be modified to reflect the reduction.

If CCJPA determines that a price or cost reduction should be made, CONSULTANT agrees not to raise the following matters as a defense:

A. Bargaining Position

CONSULTANT was the sole source supplier or otherwise was in a superior bargaining position and thus the price would not have been modified even if accurate, complete and current costs or pricing data had been submitted;

B. Cost and Pricing Data

CCJPA should have known that the cost or pricing data in issue were defective even though CONSULTANT took no affirmative action to bring the character of the data to the attention of CCJPA;

C. Item Cost

The price was based on an agreement about the total cost of the work and there was no agreement about the cost of each item procured under the Agreement.

**21.0 LAWS AND REGULATIONS**

CONSULTANT shall comply with any and all laws, statutes, ordinances, rules, regulations, and procedural requirements of any national, state or local government, and of any agency of such government, including CCJPA, which relate to or in any manner affect the performance of this Agreement. This Agreement and any documents supplied hereunder are subject to public inspection of the California Public Records Act, California Government Code Section 6250 et seq., unless exempted by law.

**22.0 ADDITIONAL FUNDING AGREEMENT REQUIREMENTS**

This Agreement is subject to any additional restrictions, limitations or conditions that may be required by any local, State or Federal funding agreements applicable to this Agreement.

**23.0 CHOICE OF LAW**

All questions pertaining to the validity and interpretation of this Agreement shall be determined in accordance with the laws of the State of California applicable to agreements made and to be performed within the State, without reference to conflicts of law principles.

**24.0 SEVERABILITY**

If any provision of this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remaining provisions shall nevertheless continue in full force without being impaired or invalidated in any way.

**25.0 COVENANT AGAINST CONTINGENT FEES**

CONSULTANT warrants that no person or selling agency has been employed or retained to solicit or secure this Agreement upon an agreement or understanding for a commission, percentage, brokerage or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by CONSULTANT for the purpose of securing business. For breach or violation of this warranty, CCJPA will have the right to annul this Agreement without liability, or at its discretion, to deduct from the Agreement price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage or contingent fee.

**26.0 COVENANT AGAINST GRATUITIES**

CONSULTANT warrants that it will not and has not offered or given gratuities in the form of entertainment, gifts or otherwise, to any director, officer or employee of CCJPA to secure favorable treatment in the awarding, amending or evaluating performance of the Agreement.

**27.0 CAPTIONS**

The captions of the Articles and paragraphs in this Agreement are for purposes of reference only and shall not be construed to affect the meaning of any provision hereof.

**28.0 BENEFIT OF AGREEMENT**

This Agreement shall bind and benefit the parties hereto and their successors and permitted assigns.

**29.0 ENTIRE AGREEMENT**

This Agreement is the entire agreement of the parties, and supersedes and replaces all prior communications, written and oral, regarding the subject matter hereof. CONSULTANT represents that in entering into this Agreement, it has not relied on any previous representations, inducements, or understandings, written or oral, of any kind or nature.

IN WITNESS WHEREOF, this Agreement has been executed by the parties hereto as of the day and year first written above.

provisional rates will apply: (as applicable in accordance with CONSULTANT's established accounting procedures):

1. Fringe Rate - The provisional rate for CONSULTANT fringe benefits expense applied to CONSULTANT project direct labor is \_\_\_\_\_%.

4. General and Administrative Rate – The provisional general and administrative expense as applied in accordance with CONSULTANT accounting procedures is \_\_\_\_\_%.

**B. CONSULTANT's Treatment of Indirect Costs**

The indirect costs rates are based on the consistent treatment by CONSULTANT and its subconsultants at any tier, of the following types of items as direct costs throughout the CONSULTANT's company and subconsultant's company (or subconsultant companies):

1. The cost of materials purchased directly for the performance of this Provisional Cost Reimbursement and Rate Agreement ("Rate Agreement").
2. Subcontract cost in direct support of performance.
3. Expenditures for salaries and wages of direct labor employees involved in the performance of the agreement work.
4. Travel costs incurred directly for performance of Agreement No. \_\_\_\_ - \_\_\_\_ work.

**C. CONSULTANT's Allowable and Unallowable Indirect Costs**

The indirect cost rates are also based on the treatment of certain costs as fully allowable, allowable subject to limit, or unallowable for purposes of this Rate Agreement, by CONSULTANT and its subconsultants at any tier, as follows:

Individual indirect labor cost rates are subject to Salary Administration by CONSULTANT in accordance with 48 CFR 31.205-6.

**D. Fringe, Overhead and General and Administrative Costs**

The indirect cost rates are also based on the treatment of certain costs as a part of the fringe benefit, overhead or general and administrative expense cost groupings, or any combination thereof, (as set forth in Article II.A. above) by CONSULTANT and its subconsultants at any tier, as follows:

1. All costs incurred in preparing, submitting and supporting any Work Directive Proposal ("WDP"), whether or not accepted by CCJPA;
2. All costs incurred in preparing, submitting and supporting any Work Directive Modification or change order to Agreement No. \_\_\_\_-\_\_\_\_ or this Rate Agreement, whether or not accepted by CCJPA;

4. All costs incurred in complying with Article 1.4 of Agreement No. \_\_\_\_-\_\_\_\_ concerning organizational procedures;
5. All costs associated with direct labor fringe, including but not limited to employee compensated personal absence, payroll taxes and payroll additives.
6. All costs associated with the costs of employee incentive compensation (including cash bonuses, suggestion awards, safety awards and other forms of incentive compensation) shall be allowable only as indirect costs. Furthermore, such costs shall be allowable only to the extent that they are paid or accrued:
  - a. Under an agreement (in effect for twelve months prior to award of this Rate Agreement) entered into in good faith between CONSULTANT and the employees, or;
  - b. Pursuant to an established organization wide plan or policy followed by the CONSULTANT (for twelve months prior to award of this Rate Agreement) so consistently as to imply, in effect, an agreement for such incentive compensation.

In no event shall distribution of any profits be allowable as a form of incentive compensation.
7. All costs associated with providing insurance coverage's as set forth in Article 6.0, INSURANCE, of Agreement No. \_\_\_\_-\_\_\_\_ other than those provided by the CCJPA.

E. Other Direct Costs

F. Subcontractor Indirect Costs

The following applies only to the extent CONSULTANT or its subconsultant(s) identify a separate indirect cost grouping that is applied to subcontracted costs:

- All indirect costs associated with providing subcontracted services are allowable only to the extent that such costs do not exceed 5% of the associated subcontracted costs.

**III. BASIS FOR REIMBURSEMENT OF SUBCONTRACTOR COSTS:**

CCJPA requires that CONSULTANT perform a cost or price analysis of subconsultant data acceptable to CCJPA which will be incorporated into WDPs submitted to CCJPA.

A. Reimbursement on a Cost Reimbursable Basis

The parties intend that CONSULTANT obtain subcontracted services primarily on a cost reimbursable basis. For subconsultants performing services on a cost reimbursable basis:

1. CONSULTANT will be reimbursed for subcontracted or subconsultant direct labor costs at any tier in accordance with the requirements of Article I.B. through D. above.
2. Reimbursement for subconsultant indirect costs at any tier shall be in conformance with the provisional rates for subconsultant fringe benefits, overhead or general and administrative expense, or any combination thereof, in accordance with the requirements of Article II.B. through II.F. above and Article VI below.
3. Unless approved otherwise by CCJPA's Project Director, the aggregate product (i.e. "multiplier") of the rates referred to in the immediately preceding sentence shall not exceed 150%.
4. Reimbursement for subcontracted other direct costs at any tier, other than subconsultant costs (i.e. subconsultant furnished materials and supplies) shall be in conformance with the requirements of Article IV below.
5. Subconsultant fixed fee, at any tier, shall be in conformance with the requirements of Article V below.

B. Reimbursement on a Time and Materials Basis

Subject to approval by CCJPA's Project Director, subconsultant(s) may perform, or be obligated to perform, services on a "time and material" basis when the following conditions have been met:

1. CONSULTANT has identified at least three subconsultants for any specific services to be performed on this basis or if this is not possible, then CONSULTANT has furnished a written justification acceptable to CCJPA, as to why the recommended subconsultant represents the most advantageous offer to the CCJPA, considering qualifications, cost or price factors as may be appropriate.
2. Total compensation for subconsultant labor will not, in aggregate, exceed \$100,000 per CONSULTANT fiscal year.
3. Total reimbursement per individual, per day does not exceed eight hours or eight times the approved rate and forty hours in one week.
4. For services performed on a time and material basis, the following costs shall be allowable only to the extent that they are a part of the overhead portion of the subconsultant's labor rate:
  - a. All subconsultant costs including, but not limited to subconsultant labor, associated with automobile travel within a 100-mile radius of the CCJPA's Administrative Offices at 300 Lakeside Drive, in Oakland, California;

- b. All subconsultant costs associated with providing insurance as set forth in Agreement No. \_\_\_\_-\_\_\_\_ other than CCJPA-furnished coverages, if any.

As used herein the term "time and material" is defined as a subcontract that provides for acquiring supplies or services on the basis of (i) direct labor hours at specified fixed hourly rates that include wages, overhead, general and administrative expenses, and profit and (ii) materials or supplies at direct cost only with no overhead, profit or fee allowed.

C. Reimbursement on a Fixed Price Basis

Notwithstanding subarticles III.A. and B. above, and subject to approval by CCJPA's Project Director, subconsultants may perform services on a basis other than a cost reimbursable or time and material basis, when one of the following conditions exists:

- 1. The subconsultant's priced offer is based upon evidence of adequate price competition. As used herein the term "adequate price competition" is deemed to exist if (i) offers are solicited by CONSULTANT in writing subject to CCJPA's prior approval, (ii) at least three or more responsible offerors that can satisfy CCJPA's requirements submit written, priced offers, responsive to the solicitation's expressed requirements and (iii) the responsive offers compete independently on the basis of price and responsibility.
- 2. The subconsultant's priced offer is based upon evidence of established catalog prices or established market prices of commercial items sold in substantial quantities to the general public. As used in the foregoing sentence, terms are defined or described as set forth below.
  - a. "Established catalog prices" must be recorded in a form regularly maintained by the manufacturer or vendor. This form may be a catalog, price list, schedule, or other verifiable and established record. The record must be published or otherwise available for customer inspection and state current or last sales price to a significant number of buyers constituting the general public.
  - b. "Established market prices" are current prices that are established in the course of ordinary and usual trade between buyers and sellers free to bargain and can be substantiated by data from sources independent of the contractor or vendor.
  - c. "Commercial items" are supplies or services regularly used for other than CCJPA purposes and sold or traded to the general public in the course of normal business operations.
  - d. An item is "sold in substantial quantities" only when the quantities regularly sold are sufficient to constitute a real commercial market. Nominal quantities, such as models, samples, prototypes, or experimental units, do not meet this requirement. For services to be sold in substantial quantities, they must be customarily provided by the offeror, using personnel regularly employed and equipment (if any is necessary) regularly maintained solely or principally to provide the services.
  - e. The "general public" is a significant number of buyers other than the CCJPA or affiliates of the offeror.

- f. A price is “based upon” a catalog or market price only if the item being purchased is sufficiently similar to the catalog- or market-priced commercial item to ensure that any difference in prices can be identified.

D. Approved Subconsultant’s Services

In the event the CCJPA Project Director gives approval for specific subconsultant services pursuant to the above subarticles III.B. and C. above, CONSULTANT shall thereafter obtain such subconsultant services accordingly.

E. Subconsultant’s Obligation

A subconsultant currently performing, or obligated to perform, services pursuant to the above subarticle III.A. shall not be eligible to perform services pursuant to the above subarticle III.B or C. until the services to be performed pursuant to the above subarticle III.A. have been completed. Once a subconsultant undertakes to perform services pursuant to the above subarticle III.B or C., such subconsultant shall thereafter be ineligible to perform any services pursuant to the above subarticle III.A., unless otherwise approved by CCJPA's Project Director.

F. Subconsultant’s Services on a Basis Other Than Cost Reimbursement

In the event one of the conditions set forth in subarticles III.B. or III.C. exists and CCJPA's Project Director approves subconsultant services on a basis other than cost reimbursement, the cost reimbursable provisions of this Rate Agreement shall be deemed inapplicable to such services.

**IV. BASIS FOR REIMBURSEMENT OF OTHER DIRECT COSTS:**

A. Restriction on Reimbursement for Other Direct Costs (“ODCs”)

CONSULTANT will be reimbursed for ODCs for either the CONSULTANT or any of its subconsultants at any tier, on the following basis: Unless otherwise authorized by CCJPA's Project Director, such reimbursement will be restricted to those ODC costs whose individual costs are in excess of \$25.

B. Reimbursement of CONSULTANT’s Other Direct Costs

Reimbursement for CONSULTANT ODCs is based upon the CONSULTANT's consistent treatment of these types of costs over CONSULTANT'S company as a whole.

C. Treatment of CONSULTANT's Other Direct Costs as Unallowable

The following ODCs are not allowable without the prior written approval of CCJPA's Project Director:

1. Relocation, travel and/or subsistence related to travel into or out of the CCJPA area where the work under this Rate Agreement is to be performed.
  - When travel is approved, Federal Acquisition Regulation (“FAR”) Part 31.205-46, sections (1) and (2), and Federal Travel Regulations (41 CFR 301-304) for the county in which the majority of the work is performed shall apply.]

2. Tuition for training, seminars, technical associations meetings, or other similar events.
3. Cost of any equipment, tools, or vehicles hired, leased or purchased for the performance of services, provided further, that the depreciated value of such items purchased by CONSULTANT shall be credited to CCJPA at the completion of the work hereunder.
4. Meal costs.

D. Standard Costs

ODCs may be charged at standard costs only to the extent that such costs are properly adjusted for applicable variances according to procedures developed by CONSULTANT and approved by CCJPA's Project Director. (As used herein, the term "standard costs" shall include any cost computed with the use of pre-established measures. The term "variance" shall include any difference between a pre-established measure and an actual measure.)

V. FIXED FEE

A. CONSULTANT's Fixed Fee

CONSULTANT's fixed fee will be proposed and negotiated as a percentage of the estimated direct labor cost, associated direct labor indirect costs and subcontracted costs; thereafter the negotiated fee shall be fixed. On this basis, CONSULTANT's fixed fee shall be as follows:

1. For CONSULTANT direct labor costs and indirect costs as applied to CONSULTANT direct labor costs, a fixed fee not to exceed 8%., subject to the further restrictions as set forth below:
  - a. CONSULTANT's fixed fee shall not exceed 5% of direct labor and overhead associated with services provided on a seconded basis. For the purposes of this Agreement, the term "seconded personnel" shall mean any CONSULTANT or subconsultants' employee physically located at the site of the work under the Rate Agreement working under the direction of CCJPA personnel and whose work products shall be the responsibility of CCJPA.
  - b. CONSULTANT shall receive no fee on any overhead/indirect costs in excess of 150%.
2. For CONSULTANT subcontracted costs, a fixed fee, not to exceed 2%.
3. For CONSULTANT ODCs, no fee shall be allowed.

B. Subconsultant's Fixed Fee

- Cost Accounting Standards (herein called "CAS"), 48 CFR Part 30

Does your firm have a working knowledge of these materials? \_\_\_\_\_

a. Does your firm have federal government contracts? \_\_\_\_\_

b. Was your proposed indirect cost rate audited during the past year by a federal agency (sometimes referred to as "cognizant agency"), any other governmental entity, or a CPA firm? \_\_\_\_\_ If yes, provide a copy of the audit report(s) and the resulting rate agreements, if any. Also, complete the following: (Identify all reports)

Audit Organization \_\_\_\_\_

Audit Organization \_\_\_\_\_

**C. DESCRIPTION OF COST ACCUMULATION AND BILLING PROCEDURES**

1. On what basis does your firm maintain its accounting records? Accrual \_\_\_\_\_ Cash \_\_\_\_\_

If on a cash basis, are steps taken to properly allocate expenditures that benefit more than one fiscal year? \_\_\_\_\_ Is any allocation procedure contained in a written procedure? \_\_\_\_\_ If written, please attach a copy.

2. Briefly describe your firm's system for accumulating and billing project costs by answering all of the following questions. (Provide separate attachments as necessary or required)

a. **DIRECT LABOR**

The CONSULTANT and each subconsultant will be compensated for the services of its personnel on the basis of reasonable, actual paid Direct Labor Costs (herein called "DLC") exclusive of any fringe benefits or overheads.

DLC must also exclude principal or owner time dedicated to the general operation of the business. DLC must also exclude time associated which CCJPA has identified as being allowable only to the extent that they are (i) specific classifications of DLC identified in the Agreement or Work Directive Plan as may be the case or, (ii) are not associated with specific activities that CCJPA has identified as being reimbursable on a basis other than as a direct cost. (See generally Articles I and IV of the Agreement)

The hourly rates of temporary or contract personnel which are classified as non-employees cannot be calculated as part of DLC, but must be treated as an Other Direct Cost (herein called "ODC"; see generally Article III of the Agreement).

Similarly, the hourly rates of subconsultants cannot be calculated as part of DLC, but must be treated as a Subcontracted Direct Cost (herein called "SDC"; see generally Article II of the Agreement).

Therefore, with respect to direct labor charges by your firm:

- 1) Your firm must fully document all time spent by Principals and employees and charged to CCJPA projects. CCJPA requires that all labor charges be identifiable to the nearest half-hour and specify what activity or task is being performed. (See generally Article 1.0 of the Rate Agreement.)
  - a) Does your firm have a time sheet signed by the employee and verified in writing by the immediate supervisor? \_\_\_\_\_
  - b) Does the time sheet record all time both direct and indirect? \_\_\_\_\_
  - c) Are controls in existence to ensure that DLC are relevant to the project scope? \_\_\_\_\_ Are any such controls formalized in written procedures? \_\_\_\_\_
- 2) How many hours in your firm's normal workday? \_\_\_\_\_ hours
- 3) CCJPA normally does not participate in overtime premium for direct labor personnel. Has your firm made provisions to exclude overtime premium and unpaid overtime from CCJPA billings? \_\_\_\_\_
- 4) Does your firm have a compensation policy for the classifications of labor proposed for these services? \_\_\_\_\_ If so, please attach a copy.
  - a) Does your firm have guidelines for Salary Administration, i.e. the range of annual reviews, or salary adjustments? \_\_\_\_\_ If so, please attach a copy and indicate the average adjustment for the last three years.
  - b) Does your firm have any individual incentive compensation plans including, but not limited to bonuses, commissions or profit-sharing plans? \_\_\_\_\_ If so, please attach a copy of each.
- 5) CCJPA does not allow payment for uncompensated labor costs. Does your firm have procedures to ensure that uncompensated labor is not billed to CCJPA projects? \_\_\_\_\_
- 6) If your firm is a partnership/sole proprietorship, does your accounting system use a drawing account to record all compensation to the owner(s)? \_\_\_\_\_
- 7) Does your firm hire professionals on a temporary basis to work on specific projects, rather than on a continuous employment relationship? \_\_\_\_\_
  - a) How many are currently working for your firm? \_\_\_\_\_
  - b) Who are they and what projects are they working on?  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

c) What was the total cost to your company of professionals hired on a temporary basis during the last completed fiscal year? 20\_\_\_\_, \$\_\_\_\_\_.

Were these amounts in your direct labor base for that year? \_\_\_\_\_

b. **OTHER DIRECT COSTS**

Other Direct Costs (herein called "ODCs") are direct costs other than direct labor and direct materials that are identified specifically with a contract based on a beneficial or causal relationship.

The Federal Acquisition Regulations (48 CFR Part 31) provide that no contract will have a cost allocated to it as a direct cost if other costs incurred for the same purpose, in like circumstances, are treated as an indirect cost of that or any other contract.

Costs identified specifically with a contract are the direct cost of that contract. **All costs identified with other contracts are direct costs of those contracts whether reimbursed or not.**

1) a) Does your firm have an approval process for ODCs? \_\_\_\_\_  
If so, are they in writing? \_\_\_\_\_

b) Does your firm have procedures in place to ensure that ODC budgets are not exceeded? \_\_\_\_\_  
If so, are these procedures in writing? \_\_\_\_\_

2) For each of the following cost categories estimate the amounts charged as direct and indirect costs by your firm during the last completed fiscal year. FY 20\_\_\_\_\_

	Direct	Indirect
Travel	\$ _____	\$ _____
Reproduction	_____	_____

Office Supplies	_____	_____
Equipment	_____	_____
Relocation Costs	_____	_____
Computer Expenses	_____	_____

3) If any costs listed in 2 above are charged as both a direct and indirect costs, identify them and explain how these and other costs directly identifiable with specific contracts are excluded from the indirect cost pool, to prevent duplication.

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

- 4) ODCs also include Subconsultants, does your firm lease office space to other consultants, or otherwise provide support services? \_\_\_\_\_ If so, describe the relationship.

c. **INDIRECT COSTS**

Indirect costs may consist of one or more pools of expenses which are grouped on the basis of the benefits accruing to the cost objectives represented by the distribution base or bases to which they are allocated. Since accounting practices vary, the use of particular groupings is not required. However, CCJPA contract requirements specify **direct labor costs** as the basis for allocating indirect costs. Furthermore, CCJPA requires that direct labor exclude: 1) fringe benefits, which must be classified as indirect costs; 2) Subconsultant, contract employees and other non-employee costs which must be classified as ODCs; and 3) principal, or owner labor cost dedicated to the general operation of the firm.

Indirect cost rates must be supported. A provisional rate for indirect costs will be established. Your firm's final rate must represent your firm's actual cost experience for a completed fiscal year and must comply with all FAR and specific CCJPA agreement requirements.

Provisional rates must represent your firm's best estimate of the rates to be experienced during that particular year. If your provisional rate does not use your last completed fiscal year, the estimated cost must be based on historical data and all known future changes. The computation should provide for the future changes that will occur in both your direct labor base and indirect expense pools. A proposed rate must comply with all FAR and CCJPA agreement requirements. CCJPA will consider provisional rates audited and approved by a cognizant federal agency (i.e., EPA, DCAA), or other government entity, if the rate is further adjusted to comply with CCJPA agreement requirements.

Each firm must be able to support its direct labor base and other labor cost components used to calculate the indirect cost rate by submission of data for the last three years. **For this purpose, complete the SCHEDULE OF SUMMARY COST AND SALARY DATA (page 9) for the last two completed fiscal years and the new fiscal year.**

Complete the INDIRECT COST SCHEDULES (Schedules A, B and C, pages 10 through 12) for your firm's last two completed fiscal years and the new fiscal year. The schedules may be modified as appropriate and will be reviewed by CCJPA as part of negotiating a provisional reimbursement agreement.

List each indirect cost account, the amount, and a description of each adjustment. Specifically, how adjustments for: 1) FAR unallowable costs, and 2) the exclusion of those categories of cost which will be paid directly by CCJPA as an ODC or will be provided directly by CCJPA or another firm. Also exclude comparable pool costs incurred in the performance of other contracts. For example, if travel is charged directly, then only general-purpose travel should be included in the pool. Nonreimbursable direct travel should be excluded from the pool.

The following is a list of some of the more common costs unallowable per FARs. The list is not meant to be all inclusive, and accordingly, the CONSULTANT must refer to the FARs when preparing the INDIRECT COST SCHEDULE.
